Homo Hierarchicus The Caste System And Its Implications:

Homo Hierarchicus Louis Dumont,1980 Louis Dumont s modern classic here presented in an enlarged revised and corrected second edition simultaneously supplies that reader with the most cogent statement on the Indian caste system and its organizing principles and a provocative advance in the comparison of societies on the basis of their underlying ideologies Dumont moves gracefully from the ethnographic data to the level of the hierarchical ideology encrusted in ancient religious texts which are revealed as the governing conception of the contemporary caste structure On yet another plane of analysis homo hierarchicus is contrasted with his modern Western antithesis homo aequalis This edition includes a lengthy new Preface in which Dumont reviews the academic discussion inspired by Homo Hierarchicus and answers his critics A new Postface which sketches the theoretical and comparative aspects of the concept of hierarchy and three significant Appendixes previously omitted from the English translation complete this innovative and influential work

Homo Hierarchicus Louis Dumont,1870 *Homo Hierarchicus* Louis Dumont,1970-01-01 *Homo Hierarchicus* Louis Dumont,1980 **Food and Culture** Carole Counihan,Penny Van Esterik,1997 This reader reveals how food habits and beliefs both present a microcosm of any culture and contribute to our understanding of human behaviour Particular attention is given to how men and women define themselves differently through food choices The Oxford Handbook of Caste

Surinder S. Jodhka,Jules Naudet,2023 The Oxford Handbook of Caste brings together a wide range of essays encompassing various academic disciplines to lay the foundations for a new understanding of caste capturing emerging research trends imaginations and the lived realities of caste , **Dalit Theology and Dalit Liberation** Peniel Rajkumar,2016-05-13 In

fulfilling the long awaited need for a constructive and critical rethinking of Dalit theology this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church Peniel Rajkumar s starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church which continues to be passive in its attitude

towards the oppression of the Dalits both within and outside the Church The theological reasons for this lacuna between Dalit theology and the Church s praxis Rajkumar suggests lie in the content of Dalit theology especially the biblical paradigms explored which do not offer adequate scope for engagement in praxis

Caste-based Discrimination in International Human Rights Law David Keane,2016-04-08 With particular focus on the Hindu caste system this book represents a comprehensive analysis of the elimination of all forms of racial discrimination in international law It evaluates the strategies that have informed the work of the United Nations in this area mapping a new path that moves from standard setting to implementation Combining legal analysis with the meaning and origin of caste it explores the remedies human rights law can propose towards the prohibition of caste based discrimination and the abolition of the caste system itself The book provides a benchmark on the achievements of the international community in combating all forms of racial discrimination and the policies that must inform future measures With its clear and accessible style this volume will be of interest to scholars of law and human rights as well as policy makers and practitioners working in this area

Caste and Class Ideology in Contemporary India Vikramendra Kumar,2025-03-02 This volume explores contemporary caste dynamics in India combining theoretical insights with rich empirical evidence It offers an insightful examination of how caste practices particularly concerning marginalized communities or Dalits have transformed over the years The book delves into the persistent yet evolving nature of caste hierarchies highlighting both progress and ongoing challenges these communities face in their quest for autonomy and dignity It examines how Dalits navigate social power imbalances face social boycotts and violent resistance despite breaking free from traditional dependency It provides a nuanced account of the intersection between religion and caste exploring movements like Ad Dharm and the establishment of community centers for worship and social activities The volume also sheds light on the shifting political landscape discussing the rise of backward castes and the increasing assertion of Dalit identity By drawing parallels between caste and race ethnicity studies it delves into how caste identities continue to perpetuate economic and social inequalities This book is a crucial resource for scholars students and anyone interested in understanding the complexities of caste and class in modern India

The Modern Anthropology of India Peter Berger, Frank Heidemann,2013-06-03 The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947 It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India and which possibly gained a pan Indian or even trans Indian significance Structured according to the states of the Indian union contributors raise several key questions including What themes were ethnographers interested in What are the significant ethnographic contributions How are peoples communities and cultural areas represented How has the ethnographic research in the area developed Filling a significant gap in the literature the book is an invaluable resource to students and researchers

in the field of Indian anthropology ethnography regional anthropology and postcolonial studies It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India

Temple in Society Michael V. Fox, 1988 This collection of studies had its origin in the Burdick Vary Symposium of 1986 held at the University of Wisconsin Madison The symposium sponsored jointly by the Institute for Research in the Humanities and the Hebrew Department of the University of Wisconsin Madison focused on the topic of the social role of temples in society Participants presented the role of the temple in Sumer Japan the Far East the Near East Europe and Meso America Together they sought to determine whether the temple as an institution was a single such entity meeting fundamental human needs in similar ways throughout history or whether the temples of various cultures are similar only in the fact that English uses the same word to refer to them

perspectives *Studying Hinduism* Sushil Mittal, Gene Thursby, 2009-01-19 This book is an indispensable resource for students and researchers wishing to develop a deeper understanding of one of the world's oldest and most multifaceted religious traditions. Sushil Mittal and Gene Thursby, leading scholars in the field, have brought together a rich variety of perspectives which reflect the current lively state of the field. *Studying Hinduism* is the result of cooperative work by accomplished specialists in several fields that include anthropology, art, comparative literature, history, philosophy, religious studies, and sociology. Through these complementary and exciting approaches, students will gain a greater understanding of India's culture and traditions to which Hinduism is integral. The book uses key critical terms and topics as points of entry into the subject, revealing that although Hinduism can be interpreted in sharply contrasting ways and set in widely varying contexts, it is endlessly fascinating and intriguing. **Routledge Handbook of Contemporary India** Knut A.

Jacobsen, 2015-08-11 A second revised edition of this title is available at <https://www.routledge.com/Routledge+Handbook+of+Contemporary+India/Jacobsen/p/book/9781032244068>. India is the second largest country in the world with regard to population, the world's largest democracy, and by far the largest country in South Asia and one of the most diverse and pluralistic nations in the world in terms of official languages, cultures, religions, and social identities. Indians have, for centuries, exchanged ideas with other cultures globally, and some traditions have been transformed in those transnational and transcultural encounters and become successful innovations with an extraordinary global popularity. India is an emerging global power in terms of economy, but in spite of India's impressive economic growth over the last decades, some of the most serious problems of Indian society, such as poverty, repression of women, inequality both in terms of living conditions and of opportunities such as access to education, employment, and the economic resources of the state, persist and do not seem to go away. This Handbook contains chapters by the field's foremost scholars dealing with fundamental issues in India's current cultural and social transformation and concentrates on India as it emerged after the economic reforms and the new economic policy of the 1980s and 1990s and as it develops in the twenty-first century. Following an introduction by the editor, the book is divided into five parts: Part I, Foundation; Part II, India and the world; Part III, Society, class, caste, and gender; Part IV, Religion and diversity; Part V, Cultural change and innovations. Exploring the cultural changes and innovations relating a number of contexts in contemporary India, this Handbook is essential reading for students and scholars interested in Indian and South Asian culture, politics, and society. Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) 4.0 license.

Rewriting Resistance: Caste and Gender in Indian Literature Rakibul Islam, Jakir Hossain, 2022-05-10 *Rewriting Resistance: Caste and Gender in Indian Literature* explores the claustrophobic shadow of discrimination hanging over Indian women and lower caste people from ancient times. It examines how different literary figures paint a vivid and descriptive picture of the physical and psychological oppression faced throughout India. The book traces feminist resistance, subaltern

resistance and resistance during the anti colonial struggle with the literary outputs discussed working as socio political activity against dominant ideologies The volume further talks about the responsibility not only of those oppressed but also of us as human beings to speak out against the violation of human rights and for justice So the book focuses on the literary writers who always dream of a better India where all people regardless of their caste class and gender can live and breathe freely The book is divided into three parts Part I describes the plight of women their commodification and the politics around them and how they fight hard to regain their faded identity Part II depicts the interesting findings on gender caste intersections and discrimination Part III explores the struggle of the low caste specifically male members of Dalit community along with their history It further portrays how orthodoxy in rituals creates the burden of traditional and existential crises

Rewriting Resistance Caste and Gender in Indian Literature re visits Indian literary texts in terms of what they reveal about the resistance registered through the suffering of human beings women and Dalits at the hands of fellow human beings and further links the discussion to our contemporary situation The book has a unique quality in that it is not only a detailed study of select Indian English texts but also delves into an in depth analysis of texts from Bengali Urdu and Hindi literature The work is likely to affect and appeal to students scholars and academics and can be adopted for classroom teaching and research purposes as well
