Elizabeth Newman

Human Christ:

The Human Christ Charlotte Allen, 1999 Jesus the historical figure has intrigued some of the most interesting figures of modernity such as Newton and Norman Mailer In this revealing history and critique the author enters the complex mental worlds of these researchers to show how our understanding of Jesus has influenced our culture Christ's Humanity in Current and Ancient Controversy: Fallen or Not? E. Jerome Van Kuiken, 2017-07-13 Was Christ's human nature fallen even sinful From the 18th century to the present this view has become increasingly prominent in Reformed theological circles and beyond despite vigorous opposition Both sides on the issue see it as vital for understanding the nature of salvation Each side's advocates appeal to or critique the Church Fathers This book reviews the history and present state of the debate then surveys the connections distinctions and patristic interpretations of five of the modern fallenness view's proponents Edward Irving Karl Barth T F Torrance Colin Gunton and Thomas Weinandy and five of its opponents Marcus Dods the Elder A B Bruce H R Mackintosh Philip Hughes and Donald Macleod The book verifies the views of the ten most cited Fathers five Greek Irenaeus Athanasius Gregory Nazianzen Gregory Nyssen and Cyril of Alexandria and five Latin Tertullian Hilary of Poitiers Ambrose Augustine and Leo the Great The study concludes by sketching the implications of its findings for the doctrines of the Immaculate Conception sin sanctification and Scripture The Man Christ Jesus Bruce A. Ware, 2012-11-30 Liberal attacks on the doctrine of the divinity of Christ have led evangelicals to rightly affirm the centrality of Jesus's divine nature for his person and work At times however this defense of orthodoxy has led some to neglect Christ's full humanity To counteract this oversight theologian Bruce Ware takes readers back to the biblical text where we meet a profoundly human Jesus who struggled with many of the same difficulties and limitations we face today Like us he grew in faith and wisdom tested by every temptation common to man And like us he too received power for godliness through the Holy Spirit and thus serves not only as the divine Lord to be worshiped but also the supreme Human to be followed *The "Man Christ Jesus"* Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings

salvation into human history in his life death and exaltation as the Man Christ Jesus

The Mystery of Jesus Christ Fernando Ocariz Braña, Fernando Ocariz, Lucas F. Watson, Anantanand Rambachan, Mathias Schneider, Paul Hedges, 2024-03-15 This book explores a Christian view of Jesus of Nazareth that responds to critical demands from numerous perspectives encompassing Jesus of History research differing cultural contexts feminism and post colonialism

Encountering Christ in the Suffering Humanity (Mt 25:31-46) Cynthia Pinto, 2011 *Attending the Wounds on Christ's Body* Elizabeth Newman, 2012-10-18 The disunity of the church is a social and theological scandal for it betrays the prayer of Jesus that we will be one so that the world will believe John 17 21 As a Baptist whose academic background focused on the Orthodox Church and whose teaching has included Catholic and Protestant contexts this division is for Elizabeth Newman personal and professional Attending to the Wounds on Christ's Body rests on the conviction that the broad tradition of Christianity already contains resources to heal the church namely the saints of the church Newman examines especially how Teresa of Avila 1515 1582 speaks to the whole church today in the midst of political economic and ecclesial brokenness Teresa's reliance upon three scriptural figures dwellings marriage and pilgrimage helps make sense of an ecclesial way of life that is inherently unitive a unity that stands in contrast to that of the nation state or the global market Teresa's scriptural journey offers an alternative at once liturgical political and economic This Doctor of the Church provides medicine that can repair wounds of division that separate brothers and sisters in Christ

Christ Crucified in a Suffering World Nathan D. Hieb, 2013-09-01 What is the connection between Christian doctrine and concrete social action This question marks the often unarticulated divide between systematic theology and liberation theology each often emphasizing one primarily or formally over the other Examining the work of Karl Barth T F Torrance and Jon Sobrino here Nathan Hieb contests this bifurcation specifically around the nodal points of the crucifixion or the doctrine of atonement and the context of suffering This book is an innovative study that bridges the boundaries of method doctrine and praxis creating a strong theological and action oriented relationship between systematic and liberation theology

The Jesus We Missed Father Patrick Reardon, 2012-02-13 Who was Jesus and what was His mission The Gospels present us with an obvious but profound and compelling thought that the eternal Word of God became a real man of particular weight and height with a specific temperament and particular traits of character He was a Jew part of a small village community He became hungry and tired He felt anger and was moved to compassion He had a mother and friends His name was Jesus How are we to understand this mystery of Jesus being fully God and also fully man How do we correctly speak of the real Jesus without falling prey to the

skepticism that marks the so called quest for a historical Jesus In *The Jesus We Missed* pastor and scholar Patrick Henry Reardon travels through the Gospel narratives to discover the real Jesus to see him through the eyes of those who knew him best the apostles his community believers who vividly portrayed him in stories filtered through their own faith Through these living breathing accounts we contemplate who God's Son really was and is and we understand how he came to redeem and sanctify every aspect of every human life In an age that has too often turned Jesus into a symbol or an abstract doctrine we are long overdue for a reminder that the Lord of history came to us as a humble carpenter from Nazareth BRYAN LITFIN Professor of Theology Moody Bible Institute In his inimitable style Patrick Henry Reardon surprises us with insights into the humanity of Jesus drawn from the Gospels and made lively by careful attention to historical and literary detail Here is a piece that joins together critical awareness theological fidelity refreshing wit and manifest devotion EDITH M HUMPHREY William F Orr Professor of New Testament Pittsburgh Theological Seminary

Barth on the Descent into Hell David

Lauber, 2017-09-29 The Christian confession that Jesus Christ descended into hell has been variously misunderstood or simply neglected by the Church and dogmatic theology This work is a significant retort to dogmatic forgetfulness and ecclesial misunderstanding It succeeds in doing so by offering a close reading and critical analysis of Karl Barth's treatment of the descent into hell and its relation to his extraordinary theology of the atonement The reach of David Lauber's work is extended by placing Barth in conversation with Hans Urs von Balthasar's innovative theology of Holy Saturday In revealing and unexpected ways this book casts light upon the ecumenical breadth of Barth's theology It is a valuable interpretation of significant facets of Barth's doctrine of God reflection upon the passion of Jesus Christ and ethics In addition Lauber offers a constructive theological proposal for how the descent into hell affects the theological interpretation of Scripture the trinitarian being and activity of God and the non violent and authentic shape of Christian life and witness before our enemies

Contesting Christendom James L. Halverson, 2008 The pervasiveness of the Christian religion has long been treated as one of the key features of medieval society Indeed Europe in the Middle Ages is often described simply as a Christian culture Yet what do we mean when we say that medieval Europe was a Christian society and what did it mean to be a Christian in the Middle Ages These questions are fundamental to any understanding of the Middle Ages yet the variety of theoretical approaches and conclusions represented in this carefully selected and provocative collection of key works in the field highlights the complexity of the answers Introducing students to medieval Christianity James L Halverson presents a rich array of readings that offers a variety of ways to study the history of religion within a chronological setting His opening chapter and introductions to each section and selection frame the essays and provide a strong conceptual framework to build upon Making it clear that scholars have approached religion from many perspectives and used many different methodologies this collection presents some of the best scholarship of religion as culture and practice emphasizing the ongoing attempt to understand the social and cultural aspects of medieval Christianity Contributions by Rudolf Bell Constance Brittain Bouchard

Peter Brown Marcus Bull Caroline Walker Bynum Mark R Cohen Georges Duby Eamon Duffy Joan Ferrante Richard Fletcher Katherine L French Thomas A Fudge Herbert Grundmann James L Halverson Karen Louise Jolly Lester Little Rob Means Bernd Moeller Andrew P Roach Jane Tibbets Schulenburg Keith Thomas and Ian Wood Spiritus Creator Regin Prenter, 2001-03-27 As the first comprehensive study in the twentieth century of Luther's concept of the Holy Spirit this book should be welcomed by every serious student of Luther's theology for although Luther's view of the Holy Spirit dominates every aspect of his vast theological output it is not always easy to discover what he really thought Historians and theologians have at different times come to varying conclusions based on the same fundamental writings of Luther Enthusiastic followers of the Reformer in their efforts to convince others have from time to time fallen into the temptation to oversimplify his teachings Spiritus Creator is the answer to this confusion Laying aside the numerous interpretations of others Regin Prenter a noted Danish Theologian and scholar presents Luther's thought itself In this study he does not ask where Luther's thoughts came from or how they developed he asks only what Luther thought Questioning for example whether Luther's view of the Holy Spirit was really so traditional so much colored by medieval thought patterns as has been widely assumed Dr Prenter shows how Luther used Augustinian terms the vocabulary of his age yet gave them new content even new definitions He demonstrates how Luther's concept of the Holy Spirit did indeed take shape in a traditional form but that it then grew into what is for all Protestants a crucial evangelical insight Spiritus Creator is divided into two parts the concept of the Holy Spirit before Luther had to defend his teachings from the distortions of enthusiasts and this same concept during his struggle with the enthusiasts This pattern gives the author opportunity to present the basic statements of the early period without reference to the polemical situation of Luther's later life It also demonstrates the essential continuity that gives Luther's concept of the Holy Spirit importance for the thinking of all ages our own not excluded **Nonviolent Word** J. Denny Weaver, Gerald J. Mast, 2020-02-21 This book displays how the nonviolent Word of God made visible in Jesus Christ is expressed in the contemporary idiom of the peaceable grain of the universe Moving between historic Anabaptist understandings of Jesus as revealing the Word of God and more recent expressions of Jesus as disclosing the grain of the universe the book invites a reading of Scripture centered in Jesus' life and teachings as told by the narratives of the New Testament This approach to the Bible discovers there a persuasive witness to the power of nonviolent action in both historic movements and contemporary settings Beginning with the radical wing European Reformation the book explores how new understandings of biblical authority expressed in the language of that era have relevance now over five centuries later when stated in a contemporary language for evangelical ecumenical and anti racist Christian witness To that end chapters in Part One explore how Reformation era Anabaptists expanded or went beyond the received understandings of Scripture and Word in confronting their crises In Part Two the chapters apply this expanded understanding of the Word to contemporary understandings of the Bible and theology dialogue across black white lines and in nonviolent witness and activism *The*

CONTENDING FOR THE FAITH Christopher H.K. Persaud, 2013-05-21 Doubt and disbelief in God's existence and his plan of redemption for lost humankind is becoming increasingly evident in today's hedonistic self directed world Many Christian believers even choose to listen to and to acknowledge a feel good now Gospel notwithstanding its deviation from Biblical truth and its possible damning implications Conversely many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and or destruction called hell A good God cannot be so cruel they opine Jesus commissioned his followers to take his Gospel to the far reaches of the Earth and the Holy Scriptures encourage Christians in Jude 1-3 to earnestly contend for the faith More than at any other time in history believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ's offer of eternal life in a place named Paradise The miscellany of contemplative inquiries and arguments presented in **CONTENDING FOR THE FAITH** purposes to do just that endorse and advance the Gospel of Christ and help establish Biblical truth Much too much is at stake for not spreading or not listening to Christ's entreaty Jesus, Son of God, Son of Mary, Immanuel Donald J.

Goergen, 2003-09-04 *No!* Paul C. McGlasson, 2012-06-01 Sometimes theological ideas are good topics for ongoing debate Other times the community of faith needs to come to a decision yes or no Christian Reconstructionism offers the Christian church a basic approach to faith different from mainstream historic Christianity Is their approach warranted Or is it a fundamental distortion of the gospel The present volume seeks to set out the case that Christian Reconstructionism is not a legitimate variation of Christian doctrine but rather a serious misunderstanding of the gospel attested in Holy Scripture First an attempt is made to look at the basic ideas of Christian Reconstructionism Rather than focusing on names and dates the focus is on the set of ideas that characterize this view of Christianity Second a response is given to each of the main ideas The response makes use of traditional Protestant Roman Catholic and Eastern Orthodox doctrine but it is based primarily on careful exegesis of Scripture The ultimate question is if Christian Reconstructionism is grounded in the Bible or in a political ideology foreign to Scripture An epilogue briefly points to a different way of seeing Christian involvement in contemporary global society The Immediacy of God Douglas Vickers, 2009-05-13 The confessing church in our time treats lightly the doctrinal deposit of its theological inheritance The clamor of competition for the reconstruction of belief systems has too

often neglected older and more secure moorings In a postmodern age that countenances individual belief idiosyncrasies and accords them sanctity the answer to the ordinary man s question What is the gospel is often clouded and confused Against doctrinal uncertainties and insecurities The Immediacy of God brings back into prominence a number of foundational issues related to the doctrines of God and salvation of theology and soteriology In doing so it anchors its thought structure in the basic apologetic presupposition that God is and in the fundamental hermeneutical principle of divine covenantal purpose The originality of Vickers argument lies in its proposal of new perspectives on its chosen subject range and as it becomes necessary for the elucidation of biblical belief its critical response to proposals for new theological paradigms The organizing core of the book s argument is its proposition regarding the immediacy of God in his being his knowledge his will and his actions That core proposition spills its influence to aspects of human salvation On such levels questions are raised that strike to the heart of the meaning of the divinely instituted redemptive process Divine actions within that process are understood to be immediate rather than mediate Redemptive actions of God are immediate in the sense that no mediating causes exist between those actions and their effects and outcomes in the human condition

Persons in Relation Najib George Awad, 2014 Tracing out the origins of the Trinitarian revival in the modern era through to the destabilizing effects of postmodernity on Trinitarian discourse the author provides a critical hermeneutic for the evaluation and implementation of Trinitarian theology in the contemporary world
