Human Security In South Asia Gender Energy Migration And Globalisation:

Human Security in South Asia P. R. Chari, Sonika Gupta, 2003 The word security has a military connotation and refers to the activities involved in protecting or defending a country in which the State has a central role This book argues that the State provides as well as threatens security and that by broadening the concept of security to include both military and non military threats such as those related to ecological social economic and political causes a system of checks and balances can be introduced to regulate the State *Transforming South Asia: Imperatives for Action* Ambassador Rajiv Bhatia, Mr Swaran Singh, Ms Reena Marwah, 2013-11-15 Right from the Himalayan hermit kingdoms of Nepal and Bhutan to the island and archipelago countries of Sri Lanka and the Maldives the sheer variety of South Asia not only in geographic terms but also in terms of culture language and tradition is unparalleled A wide array of religious beliefs existing in the region alongside distinctive mind sets tend to differentiate the countries that make up South Asia The divisions however of the region among countries are not the same as the divisions among cultures religions This book titled *Transforming South Asia Imperatives for Action* is the outcome of serious deliberations among well known scholars diplomats and policymakers at the Third Conference of the Asian Relations Conference Series organized by Indian Council of World Affairs in collaboration with Association of Asia Scholars in March 2012 Papers presented in the conference were thoroughly revised before publication and editors acknowledge with gratitude these insightful contributions Most contributors to this volume believe in the pertinence of regional integration amongst various South Asian nations Specifically the volume sheds considerable light on the issue of regionalization and co operation as tools to achieve the much longed for transformation in South Asia Experts do not shy away from examining issues of conflict and how border disputes have often marred the positive spirit of regionalization as also other mechanisms of SAARC in its day to day functioning Therefore an effort to present the complex reality objectively is visible Contributors also underscore India s role in regionalization of South Asia as being far more pragmatic since it has strengthened local synergies especially at the level of their civil societies **Human Security in South Asia** Adluri Subramanyam Raju, 2019-08-29 This book delves into the theory and praxis of human security in South Asia Home to almost a quarter of the world s population and fast emerging markets South Asia holds social geopolitical and economic significance in the current global context The chapters in the volume examine the challenges to human security through an exploration of environmental issues including water availability electric waste environmental governance and climate change explore key themes such as development displacement and migration the role of civil society sustainable development and poverty and discuss developmental issues in South Asia and provide a holistic picture of non military security issues Bringing together scholars from varied disciplines this comprehensive volume will be useful for researchers teachers and students of international relations human rights political science development studies human geography and demography defense and strategic studies migration and diaspora studies and South Asian studies *Sustainable*

Development in India: Emerging Scenarios and Concerns Prof. Litty Denis, Prof. Saurabh Sharma, 2019-09-10 Sustainable development across the globe is the only course to a peaceful future for the coming generations. The current severe rise in temperatures in France and other European countries bear witness to the climate change and its impact that the future holds. Health issues and life style related diseases are on the rise amidst increasing life expectancy. Grave inequalities still engulf the globe in various forms. Biodiversity degradation is also extensive. Discussions and planned initiatives for sustainable development become liminal in this context. This book offers for the readers discussions on a multitude of interrelated concerns with contributions on issues ranging from internal security to environment management and emerging scenario surrounding the domain of sustainable development.

Human and International Security in India Crispin Bates, Akio Tanabe, Minoru Mio, 2015-09-07 With its common colonial experience an overarching cultural unity despite apparent diversities and issues of nation building cutting across national frontiers South Asia offers a critical site on which to develop a discourse on regional security that centres on the notion of human security. This book analyses the progress that has been achieved since independence in multiple intersecting areas of human security development in India the largest nation in South Asia as well as considering the paradigms that might be brought to bear in future consideration and pursuance of these objectives. Providing original insights the book analyses the idea of security based on specific human concerns cutting across state frontiers such as socio economic development human rights gender equity environmental degradation terrorism democracy and governance. It also discusses the realisation that human security and international security are inextricably inter linked. The book gives an overview of Indian foreign policy with particular focus on its relationship with China. It also looks at public health care in India and issues of microfinance and gender. Democracy and violence in the country is discussed in depth as well as Muslim identity and community. Human and International Security in India will be of particular interest to researchers of contemporary South Asian History South Asian Politics Sociology and Development Studies.
