The Body in Psychotherapy Edward W.L. Smith, 2010-06-28 This acclaimed work first published in 1985 presents in full detail the most effective aspects of bioenergetics Gestalt therapy psychomotor therapy Reichian orgonomy and many others are fully detailed along with a wealth of practical therapeutic techniques This book is divided into four parts the historical and theoretical perspective the body as the locus of personality assessment the body as the locus of psychotherapeutic intervention and personal and ethical considerations Basic Human Ferdson James, 2010-09-11 God realization and human consciousness There might be one kind of perception in mind when you come across Basic Human My main focus and reasoning is base on the psychological and inspirational approach to God realization and human consciousness The world is operating none theistically and most of the people never knew any more than what human beings can do that makes them virtually believe much in humanism So to make people aware that there is more to the physical structural function human body in human existence Basic human in an inspirational perception instituting theism out of the secular awareness of the world As we all know that we are mostly familiar with people in our activities and easily wary our mind into some mysteries concerning humanity One thing that should be understood is the mysteries could not have been mistakenly happened or continues happening Concluding the origin of human existence to evolution would be vanity upon vanity Then verbatim proof of God the creator of human beings could be vague a belief but more receptive to let everybody finally retain their conscience as the only hope to the mysteries The book is written most especially to point out the essential facts against the misconceiving notions embedded in the most people s mind The concept should be taken as a basic fact everybody need to be aware about the background of human existence for the realization of God **CONVASH 2019** Kundharu Saddhono ,Deny Tri Ardianto, Krichkanok Sudasna, Hasnul Jamal B Saidon, Khwanrat Chinda, Ahamad Tarmizi bin Azizan, 2020-08-31 The 1st Conference of Visual Art Design and Social Humanities CONVASH 2019 is a seminar in the fields of art design and humanities held on November 2 2019 by the Faculty of Fine Arts and Design FSRD Universitas Sebelas Maret in Surakarta Indonesia Since its establishment as a Faculty 5 years ago The Faculty of Fine Arts and Designs has conducted 4 international conferences The 1st CONVASH 2019 is our international conference new brand and we have a commitment to hold CONVASH annually Conference of Visual Art Design and Social Humanities CONVASH 2019 is a tangible manifestation of FSRD s efforts to contribute to science and improve publication quality on the international level This event is expected to bring about collaboration scientific transfer and publications that can contribute to the scientific fields of arts design and humanities The conference aims to facilitate research presentations and knowledge exchange in art design technology and social humanities as well as create academic networks among students lecturers and researchers in the related fields Further this conference will bring opportunities to learn together to develop quality research in various fields expand the collaboration networks among universities and industries and become a forum to disseminate research and knowledge to a

McLean,1994 The Old Testament of the Old Testament R. W. L. Moberly,2001-08-27 In The Old Testament of the Old Testament Moberly has looked at pentateuchal criticism from an altogether fresh angle and has registered far too many stimulating and provocative items for discussion than could or should be catalogued here He has asked important new questions not just provided an array of footnotes to a method received without further ado Anyone who has bothered to keep up with recent moves in pentateuchal study knows that certain fundamental conclusions are being called into question from a variety of different angles Moberly s angle is theological and his overture is bold and though provoking Christopher R Seitz from the Editor s Foreword **The So Called Same-Sex Marriage, Sweet But The Most Horrific Enemy** Hea Sook Son,2015-10-09 Chief Justices argued that same sex marriage had nothing to do with the Constitution Four Justices including Chief Justice clearly opposed it It is very shocking and disgraceful in US history that the so called same sex marriage was legalized nationwide It is frightening that the court s decision under Obama s administration did very cruel things to good Americans who have good morality and honesty as what they believe to be true according to their religious beliefs The bakers were forced to give up their Christian belief being forced to make cake for gay wedding Clearly this was in violation of their moral conscience and religious belief They forced admirable Americans to involve themselves in what they feel is the twisted and the immoral We were terrified and shocked how things like this could happen in America the land of freedom and democracy not of dictatorship or communism We had never imagined it before Something terribly wrong is going on in America Something horrible is going on intentionally or unintentionally among the
