Leadership Süleyman Göker, 2018-09-19 This book when compared to other books on leadership is expected to present a new understanding of the essential features of leadership and it varies from the wealth of literature in the following ways firstly this book attempts to include leaders at all management levels within an organization and across various sectors This book also aims to provide experiences and reflections across a variety of sectors and organizational structures rather than focusing on one set of definitions as is the case in current leadership sources Finally this book is expected to offer a new perspective addressing and inspiring actual leaders today and potential ones and contributing to the existing debate on leadership

Cases on Quality Initiatives for Organizational Longevity Krishnan, Archana, 2018-06-20 Over the past decade increasing competition has created immense opportunities for businesses globally As such it is important to research new methods and systems for creating optimal business cultures Cases on Quality Initiatives for Organizational Longevity is a scholarly publication that examines cases on practices in organizations and how they have facilitated transformation over the years Featuring coverage on a broad range of topics such as customer loyalty benchmarking and employee training this book

is geared toward business owners managers entrepreneurs professionals researchers and students seeking current and relevant research on contemporary cases in the field of business quality management Realising Critical HRD Jamie L. Callahan, Clare Rigg, Sally Sambrook, 2015-10-19 This book contends that the project of Critical Human Resource Development CHRD is to effect change transformation and that as such critical scholars must expose the injustices and inequities associated with the neoliberal narrative which forms the dominant rationality of current mainstream HRD practice In other words those that would change must first recognise that there is a problem worthy of being transformed It is here that much of the CHRD project has plateaued there is much theorising on dominant ideology hegemony power structures and other artefacts of a critical agenda yet there are comparatively few empirical explorations of the CHRD project that would facilitate practical engagement This book offers a means to help progress CHRD from its current concern with problem recognition to a champion of meaningful change This book offers a series of chapters that provide examples of different approaches to engaging in interventions that allow CHRD professionals to challenge power structures and in turn begin to effect change for organisations and employees alike The chapters are clustered in three distinct approaches to thinking about talking about and doing critical practice thus the sections of the book are titled Reflecting Voicing and Enacting
