## **Humanity Divinity Of Christ A Study Of:**

**The Humanity and Divinity of Christ** John Knox, 1967-07 Professor Knox considers the several attitudes towards Christ's humanity adopted by the Early Church and discusses ways in which modern Christians should consider the humanity of Christ This clear account of a complex subject is designed for both the scholar and thoughtful layman Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis Joel Banman, 2021-02-11 Bonhoeffer's writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer's biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ Christ's Humanity in Current and Ancient Controversy: Fallen or Not? E. Jerome Van Kuiken, 2017-07-13 Was Christ's human nature fallen even sinful From the 18th century to the present this view has become increasingly prominent in Reformed theological circles and beyond despite vigorous opposition Both sides on the issue see it as vital for understanding the nature of salvation Each side's advocates appeal to or critique the Church Fathers This book reviews the history and present state of the debate then surveys the connections distinctions and patristic interpretations of five of the modern fallenness view's proponents Edward Irving Karl Barth T F Torrance Colin Gunton and Thomas Weinandy and five of its opponents Marcus Dods the Elder A B Bruce H R Mackintosh Philip Hughes and Donald Macleod The book verifies the views of the ten most cited Fathers five Greek Irenaeus Athanasius Gregory Nazianzen Gregory Nyssen and Cyril of Alexandria and five Latin Tertullian Hilary of Poitiers Ambrose Augustine and Leo the Great The study concludes by sketching the implications of its findings for the doctrines of the Immaculate Conception sin sanctification and Scripture *A New Life of Christ...* Ed Tenhor, 2006-05-19

**Inter timorem et spem: A Study of the Theological Thought of Gerard Zerbolt of Zutphen (1367-1398)** G.H. Gerrits, 2021-10-25 The Future of Christology Roger Haight, 2007-08-03 In a strongly worded notification in February of 2005 the Vatican Congregation for the Doctrine of the Faith denounced Jesuit Roger Haight's award winning best selling book *Jesus Symbol of God* as containing grave doctrinal errors Like a number of theologians before him Hans K ng Charles Curran Anthony de Mello Tissa Balasuriya and Jacques Dupuis Haight has been banned from teaching as a Catholic theologian In its overall criticism of the book the Congregation still under the direction of the then Cardinal Ratzinger charged that Haight subordinates the contents of the faith to their plausibility and intelligibility in post modern culture For his part Haight says I look at American Catholicism with a population more and more educated in the faith Many college and university students are used to religious pluralism and are asking how they can square it with the Catholic faith I try to put critical words to their experience and keep their experience in touch with the tradition My fear is that educated Catholics will

walk out if there isn't space for an open attitude to other religions The Future of Christology covers much the same ground as Jesus Symbol of God though in a much more accessible and compact format The earlier book was written as a textbook this one with a wider audience in mind In the final chapter Haight responds to the numerous reviews Jesus Symbol of God received both pro and con     The Holy Word for Morning Revival - Crystallization-study of Leviticus, Volume 1 Witness Lee,2017-12-22 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the semiannual training held December 25-30 2017 in Anaheim California on the Crystallization study of Leviticus Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ     **Church Dogmatics Study Edition 9** Karl Barth,2010-09-23 The most important theological work of the 20th century in a new edition now available in individual volumes     The Humanity of Christ Paul Dafydd Jones,2008-09-01 Drawing on the best English and German language scholarship to date this book offers a novel interpretation of Barth's mature Christology Examining the entirety of the Dogmatics it provides a nuanced analysis of Barth's treatment of the Chalcedonian Definition the enhypostasis anhypostasis pairing and various Protestant scholastic Christological distinctions an examination of the co-inherence of Barth's doctrines of God and Christ which contributes to current debates about Barth's doctrine of election and a lengthy account of the Christology of Church Dogmatics IV that foregrounds Barth's understanding of Christ's human involvement in the drama of reconciliation Throughout the text the author shows convincingly that Barth's emphasis on Christ's divinity goes hand in hand with a dogmatically rich and often startling account of Christ's humanity The text does not confine itself to the Church Dogmatics It also situates Barth in the context of the wider Christian tradition and modern western philosophy of religion Thus Barth is set in conversation with a wide range of thinkers including Anselm of Canterbury Martin Luther John Calvin Friedrich Schleiermacher G W F Hegel Gottfried Thomasius and Harry Frankfurt In addition the text makes a number of constructive gestures showing a particular interest in feminist and liberationist trajectories of thought The final chapter considers the standing of Barth's Christology today and its pertinence for theological ethics and political theology     **Who Do You Say I Am?** George Kalantzis,David B. Capes,Ty Kieser,2020-03-06 Human existence is a bodily existence A first principle of historic Christianity has been that Jesus assumed our humanity and everything essential to it in order that God may redeem all of our existence Christ is the revelation of God and the revelation of true humanity As we seek to understand our embodied experiences of the world and one another we do so in light of the embodied life of Jesus Christ Jesus's humanity shows us what it means to live an embodied human life rightly and how we as embodied human beings can relate to the world around us In this book we invite readers to explore with us why the humanity of Jesus is central to the Christian understanding of community society salvation and life with God Over the span of these ten chapters this book draws from biblical historic and cultural discussions as it enters into the breadth of the significance of the

humanity of Jesus and explores how the reality of the Incarnation challenges and redeems our broken social structures racial and ethnic divisions economic systems and sexuality Preaching Christology in the Roman Near East Philip Michael Forness, 2018-10-25 Preaching formed one of the primary regular avenues of communication between ecclesiastical elites and a wide range of society Clergy used homilies to spread knowledge of complex theological debates prevalent in late antique Christian discourse Some sermons even offer glimpses into the locations in which communities gathered to hear orators preach Although homilies survive in greater number than most other types of literature most do not specify the setting of their initial delivery dating and authorship Preaching Christology in the Roman Near East addresses how we can best contextualize sermons devoid of such information The first chapter develops a methodology for approaching homilies that draws on a broader understanding of audience as both the physical audience and the readership of sermons The remaining chapters offer a case study on the renowned Syriac preacher Jacob of Serugh c 451 521 whose metrical homilies form one of the largest sermon collections in any language from late antiquity His letters connect him to a previously little known Christological debate over the language of the miracles and sufferings of Christ through his correspondence with a monastery a Roman military officer and a Christian community in South Arabia He uses this language in homilies on the Council of Chalcedon on Christian doctrine and on biblical exegesis An analysis of these sermons demonstrates that he communicated miaphysite Christology to both elite reading communities as well as ordinary audiences Philip Michael Forness provides a new methodology for working with late antique sermons and discloses the range of society that received complex theological teachings through preaching The Collected Works of Witness Lee, 1994-1997, volume 1 Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1994 1997 volume 1 contains messages given by Brother Witness Lee from January 9 1994 through April 19 1995 In 1994 and 1995 Brother Lee spoke fifty four messages that were published in the Life study of 1 and 2 Kings Life study of 1 and 2 Chronicles Life study of Ezra Life study of Nehemiah Life study of Esther Life study of Proverbs Life study of Ecclesiastes and Life study of Song of Songs These messages are not included in The Collected Works of Witness Lee During the entire period of 1994 until his death in 1997 Brother Lee ministered in Anaheim California The contents of this volume are divided into eleven sections as follows 1 Four messages given on January 9 through September 11 1994 These messages are included in this volume under the title God Becoming Man to Make Man the Same as He Is for His Highest Testimony Two of the messages were combined 2 Four outlines and two messages given on February 19 and 20 1994 These messages were previously published in a book entitled The Dispensing Transformation and Building of the Processed Divine Trinity in the Believers and are included in this volume under the same title 3 A personal note written on May 9 1994 This note is included in this volume under the title A Personal Note by Witness Lee concerning the Burden of His Ministry 4 Two messages given in Anaheim California on May 16 and June 25 1994 These messages are included in this volume under the title Fellowship with Full time Trainees The first message was spoken in Chinese 5 Four
