Smith, 2017-07-05 Dwelling on the rich interconnections between parody and festivity in humanist thought and popular culture alike the essays in this volume delve into the nature and the meanings of festive laughter as it was conceived of in early modern art The concept of carnival supplies the main thread connecting these essays Bound as festivity often is to popular culture not all the topics fit the canons of high art and some of the art is distinctly low brow and occasionally ephemeral themes include grobianism and the grotesque scatology popular proverbs with ironic twists and a wide range of comic reversals some quite profound Many hinge on ideas of the world upside down Though the chapters most often deal with Northern Renaissance and Baroque art they spill over into other countries times and cultures while maintaining the carnivalesque air suggested by the book's title

A Cultural History of Sexuality in the Middle Ages Ruth Evans, 2012-03-01 Historians of sexuality have often assumed that medieval people were less interested in sex than we are But people in the Middle Ages wrote a great deal about sex in confessors manuals in virginity treatises and in literary texts This volume looks afresh at the cultural meanings that sex had throughout the period presenting new evidence and offering new interpretations of known material Acknowledging that many of the categories that we use today to talk about sexuality are inadequate for understanding sex in premodern times the volume draws on important recent work in the historiography of medieval sexuality to address the conceptual and methodological challenges the period presents A Cultural History of Sexuality in the Middle Ages presents an overview of the

period with essays on heterosexuality homosexuality sexual variations religious and legal issues health concerns popular beliefs about sexuality prostitution and erotica *Sense and the Senses in Early Modern Art and Cultural Practice*

SivToveKulbrandstad Walker,2017-07-05 Employing a wide range of approaches from various disciplines contributors to this volume explore the diverse ways in which European art and cultural practice from the fourteenth through the seventeenth centuries confronted interpreted represented and evoked the realm of the sensual Sense and the Senses in Early Modern Art and Cultural Practice investigates how the faculties of sight hearing touch taste and smell were made to perform in a range of guises in early modern cultural practice as agents of indulgence and pleasure as bearers of information on material reality as mediators between the mind and the outer world and even as intercessors between humans and the divine The volume examines not only aspects of the arts of painting and sculpture but also extends into other spheres philosophy music and poetry gardens food relics and rituals Collectively the essays gathered here form a survey of key debates and practices attached to the theme of the senses in Renaissance and Baroque art and cultural practice Excrement in the Late Middle Ages

Covering neo avant gardists and modernists from various European countries this second volume in the series European Avant Garde and Modernism Studies explores the nature of so called low culture dealing with aspects as diverse as the everyday and the folkloric Regarding the Popular charts the many ways in which the allegedly high modernists and avant gardists looked at and represented the low As such this book will appeal to all those with an interest in the dynamic of modern experimental arts and literatures *Before Bruegel* Alison G. Stewart, 2017-07-05 Peasant festival imagery began in

sixteenth century Nuremberg when the city played host to a series of religious and secular festivals The peasant festival images were first produced as woodcut prints in the decade between 1524 and 1535 by Sebald Beham These peasant festival prints show celebrating in a variety of ways including dancing eating and drinking and playing games In *Before Bruegel* Alison Stewart takes a fresh look at these images and explores them within their historical and cultural contexts including the introduction of the Lutheran Reformation into the town s institutions and the accompanying re evaluation of the town s popular festivals Stewart goes beyond the black and white approaches of previous interpretations to examine the festival prints in a more complex manner In the first publication of its kind Stewart makes the case for a range of meanings these works held for a sixteenth century audience and for Beham s pictorial inventiveness and his business savvy Beham is credited with inventing the subject of peasant festivals in Northern Renaissance art and for creating a market for the subject by the middle of the sixteenth century with his large scale woodcuts at Nuremberg and with tiny engravings at Frankfurt Stewart shows that the market Beham created for prints with the theme of peasant festivals paved the way for Pieter Bruegel s

Architecture Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture History of Illustration Susan Doyle, Jaleen Grove, Whitney Sherman, 2018-02-22

Written by an international team of illustration historians practitioners and educators History of Illustration covers image

making and print history from around the world spanning from the prehistoric to the contemporary With hundreds of color image this book to contextualize the many types of illustrations within social cultural and technical parameters presenting information in a flowing chronology This essential guide is the first comprehensive history of illustration as its own discipline Readers will gain an ability to critically analyze images from technical cultural and ideological standpoints in order to arrive at an appreciation of art form of both past and present illustration English Medieval Misericords Paul Hardwick,2011 Misericord carvings present a fascinating corpus of medieval art which in turn complements our knowledge of life and belief in the late middle ages Subjects range from the sacred to the profane and from the fantastic to the everyday seemingly giving equal weight to the scatological and the spiritual alike Focusing specifically on England though with cognisance of broader European contexts this volume offers an analysis of misericords in relation to other cultural artefacts of the period Through a series of themed case studies the book places misericords firmly within the doctrinal and devotional milieu in which they were created and sited arguing that even the apparently coarse images to be found beneath choir stalls are intimately linked to the devotional life of the medieval English Church The analysis is complemented by a gazetteer of the most notable instances Dr Paul Hardwick is Professor in English Leeds Trinity University College **A General History of Horology** Anthony John Turner,James Nye,Jonathan Betts,2022 The text provides a general history of horology covering time keeping worldwide and at all periods throughout history from antiquity Assyria and Egypt included to the present day The Literature of Waste S. Morrison,2015-06-03 Tracing material and metaphoric waste through the Western canon ranging from Beowulf to Samuel Beckett Susan Signe Morrison disrupts traditional perceptions of waste to better understand how we theorize manage and are implicated in what is discarded and seen as garbage Engaging a wide range of disciplines Morrison addresses how the materiality of waste has been sedimented into a variety of toxic metaphors If scholars can read waste as possessing dynamic agency how might that change the ethics of refuse ing and ostracizing wasted humans A major contribution to the growing field of Waste Studies this comparative and theoretically innovative book confronts the reader with the ethical urgency present in waste literature itself Pigs and Humans Umberto Albarella,Keith Dobney,Anton Ervynck,Peter Rowley-Conwy,2007-12-06 Pigs are one of the most iconic but also paradoxical animals ever to have developed a relationship with humans This relationship has been a long and varied one from noble wild beast of the forest to mass produced farmyard animal from a symbol of status and plenty to a widespread religious food taboo from revered religious totem to a parodied symbol of filth and debauchery Pigs and Humans brings together some of the key scholars whose research is highlighting the role wild and domestic pigs have played in human societies around the world over the last 10 000 years The 22 contributors cover a broad and diverse range of temporal geographical and topical themes grounded within the disciplines of archaeology zoology anthropology and biology as well as art history and history They explore such areas as evolution and taxonomy domestication and husbandry ethnography and ritual and art and present some of the latest theories

and methodological techniques The volume as a whole is generously illustrated and will enhance our understanding of many of the issues regarding our complex and ever changing relationship with the pig
