sure of her appeal to the imagination and the feelings of her readers The book has more of the melodramatic than has heretofore been found in Ethel Dell s books Book News Another choice specimen by a popular girls author is The Hundredth Chance by Ethel Dell The book consists of over 550 pages The first 150 are occupied in explaining the situation which leads a proud young society girl to marry a man who is a gentleman by nature but a horse trainer by profession the next 400 tell a sordid story of his efforts to win his wife s love efforts that are thwarted partly by her pride and partly by the intrigues of a rich and titled scoundrel intrigues which frequently come too near succeeding to be pleasant reading while the final twenty pages relate the sensational rescue by the wife of her husband s favorite horse and the tardy but complete triumph of love
