Frontier Book of Children's Short Stories Charles Beard, 2010-12 This book is a collection of short stories designed to be used for reading practice and entertainment for home and classroom readers. It consists of 50 mostly fictional stories in several different interest areas. The areas include adults, boys and girls, animals, strange happenings, directions, lifelike objects, humor, and others. Many of these stories contain an introduction of factual information followed by a fictional story. In selected stories, there is another story following it that is related to it in some way. I have been associated with education most of my life, from being a teacher, a counselor, and a sales representative for a company whose main business was selling to the education market. Then for many years that followed, I have worked as a developer of educational software in reading, writing, and math. My favorite part of developing was always the creation of new stories, and that is why I decided to put this new book together. *Big Book of Best Short Stories - Specials - Children's literature 2* Selma Lagerlöf, Hans Christian Andersen, Eleanor H. The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany
