abrasive and defiantly politically incorrect It has politics secret agents and sex but not so much and the conspiracy of the globalist world order The killing part is the easy bit the tricky part is finding the right people to kill Rob was a Special Forces operator with some of the world finest regiments and served in four national armies over a career that has spanned forty years and continues today In 1965 he earned the converted Green Beret as a member of 2 Commando Australia He left in 1968 to Southeast Asia Finding work of a military nature in Laos in the war that never was The end of the contract found him in England where he joined the British Parachute Regiment and completed three tours in Northern Ireland at the height of the troubles taking part in Operation Demetrius On his last tour he was detached from his battalion and worked covert operations with a little known group called the MRF Military Reaction Force 1974 saw Rob in Rhodesia as a member of the internationally acclaimed C Squadron SAS where he was wounded on operations twice This was a turning point in Rob's life as he surrendered to Christ becoming a Christian He was to carry on as an operator but now with a biblical world view Rob was recruited in 1980 by the South African Defense Force and was a member of 6 Reconnaissance Commando Special Forces and later became an operative with what was commonly called the funnies or CSI Chief of Staff Intelligence From 1996 to 2007 Rob was in South Sudan and Iraq receiving a letter of commendation from the United States Army Still active today Rob specializes in close protection and tactical security training for civilian personnel

**Mary Lee Settle's Beulah Quintet** Brian C. Rosenberg, 1991-10-01 In the mid 1950s when Mary Lee Settle published The Love Eaters and The Kiss of Kin critics hailed her as a sharp and acidic writer However when in subsequent novels the focus of her work shifted from contemporary social realism to historical fiction the same critics who previously had praised her work lost enthusiasm In Mary Lee Settle's Beulah Quintet The Price of Freedom Brian Rosenberg examines Settle's work especially Prisons O Beulah Land Know Nothing The Scapegoat and The Killing Ground to show the magnitude and artistic merit in a single continuous fiction a fiction of major importance According to Rosenberg the Beulah quintet is one of the few grandly ambitious works of historical fiction written by an American woman In the novels Settle attempts to apply a European tradition of historical re-creation to

American experience and in so doing to adapt a largely conservative form to the demands of a revolutionary history and ideology Although the immediate subject is the history of a region in West Virginia the deeper subject is nothing less than the history of America the beliefs conflicts and illusions that gave rise to and continue to distinguish American culture Rosenberg also treats the reaction to the Beulah quintet among literary critics He looks at the neglect and misjudgment the novels have suffered by being labeled historical fiction a genre often thought to consist largely of romance novels and explains why the quintet should be placed among the canonical works of contemporary American literature Rosenberg includes in his book the transcript of an interview he conducted with Settle in which she reflects on both her intentions as a writer and the reception of her work Mary Lee Settle's fiction has for too long been misperceived Brian Rosenberg's thorough analysis of the Beulah quintet will allow a larger audience to understand the nature and scope of her achievement Fur Seal Arbitration, 1895
