Johnny's adventures with his gun and of a murder and how the murder is solved by John Ball's cool brilliant black homicide detective Virgil Tibbs hero of *In the Heat of the Night* and *The Cool Cottontail*. There are riots, brutalities, an action-packed chase through Disneyland and a heart-warming and heartbreaking scene at the end of the book in the baseball park of the California Angels. Perhaps the most important issue described with sincerity and sensitivity by John Ball is the terror and confusion in the mind of a nine-year-old boy frightened alone, hurt by the hatred around him, a fugitive from justice. Johnny Get Your Gun touches on some of the most urgent problems facing America today and is told by one of America's most accomplished storytellers. John Ball is the author of *Miss One Thousand Spring Blossoms*, hailed by the Chicago Tribune as a very funny and tender story of what happens when East meets West, as well as author of *In the Heat of the Night*, made into a screenplay which won the Academy Award for best picture of 1967.

There are even lists of books of prose and poetry available on audiocassettes. If it has to do with literature, this book has the answers. What book has had the longest run on The New York Times best-seller list? Who is the only four-time winner of the Pulitzer Prize for drama? What is the complete list of Shakespeare's plays and poems? Who are some of the most notable African American authors? What are the three main variations of the sonnet? What famous writers belonged to The Bloomsbury Group? Literature Lovers Book of Lists is both exciting and informative at the same time.

The Cool Cottontail John Ball, Sun Valley Lodge run by Forrest Nunn and his wife Emily with the assistance of their three children. Linda, a most attractive teenager, her twenty-four-year-old brother George, and small Carole were in a nudist park which had an excellent reputation except with a few people and a most careful screening of members so that sudden and murderous death had certainly never intruded upon it before. Though the body floating in the pool was nude, it was not the body of one of the members. The dead man was well-to-do, perhaps even prominent. But not only was he nude, his clothing was nowhere to be found, and someone had tried to prevent his being identified. And oddly enough, no one came forward to identify him or to

report that a man like the dead man was missing It was going to be a hard murder to solve But Virgil Tibbs moving expertly and patiently was determined to solve it and even to get used to carrying on his investigations in the midst of a nudist park which added certain problems of its own Tibbs is a detective who won friends and admirers immediately and will go on to win more *Phase Three Alert* John Ball, The Murder Children John Ball,
