**The Goals Book for Christian Living** Anne Safka, **Authentic Discipleship** Edward Michael Gross,2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna s studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every

**The Christian Life Profile Assessment Tool Training Guide** Randy Frazee,2005-03-03 The Christian Life Profile Assessment Tool Training Guide has been developed to serve as a guide for learning how to implement the Christian Life Profile Assessment Tool CLPAT into the life of any church This training course is divided into four sessions Each session will contain components such as video lecture leader led discussion large group discussion and small group discussion **Living A Single Christian Life** Beatrice Ivory,2011-12 *Victorious Christian Living* Dr. Alfred Ee,Sandra Ee,2014-01-13 The core values of life matters What we are internally will come out externally in all areas of our life The degree and amount of success blessings or money you have is determined by what is inside you It is a fact of nature that what one believes and how you think will Produce Everything else in your life If you Believe you cant you succeed in life that s it its Not Complicated As a man thinks so is he Reproducing We are what we Believe Inside Actually on the outside The Ability to Overcome is a Characteristic of successful people and They think Differently when the face or with REGARD to the problems of life we all face Roman 12 V 21 We are called to overcome and it means we can and must overcome to succeed in life Successful people look for challenges and mountains to climb but refuse to be intimidated or give up their dreams and goals James 1 v 2 4 How are we perfected and become strong It is how we think and how we overcome in life as we face the issues that are seemingly

contradictions or perplexing which is an apposing force The successful in life the more problems you have to solve and encounter is a law of nature But the more problems you solve the better life becomes There is a Time to hold on and a time to Let go in life Life is for living and people who make it all a Drama reveals a need of a Shallow Maturity and empty life and what a Waste to Focus on the Drama and that Miss the Point life is for living and no matter what we are more than conqueror through His love not moaners groaners doubters complainers but are victorious even facing death we triumph We must discern between the urgent emergencies and the vital or important issues of life Stay away from small negative thinking people who only moan and groan who are well meaning but can pollute you and yr happiness or dream We need to be compassionate but we cannot allow dream stealers and hindrances to hold us from a life of success and blessings The Christian Life John Scott,1729 **How to Add Value to Your Christian Life** Phanuel Muverengwi,2011-04-01 God does not expect a Christian to begin and end at the point of receiving salvation The purpose of salvation is to usher one into the Kingdom of God One needs to follow up their salvation with a continual personal development consistent with the new life After birth a baby should begin to crawl then to stand then to speak more distinctly then to run and eventually grow into an adult It is the same with the Christian After one receives salvation God expects them to develop stage by stage neither ceasing nor retracting This is the only way one could enrich their Christian life This is also how they could fortify it The objective of this book is to motivate you to become a valuable Christian in the various spheres of your life The book provides you with useful knowledge on how you could continuously develop yourself in this direction **Christian Life God's Way** Larry Harmsen,2022-08-01 Larry has come to understand that there are two basic ways that the Bible can be taught The first is the most prevalent It consists of telling the Christian the things that he or she should be doing and the things that he or she should not be doing sometimes accompanied with relatively meaningless ways of doing or not doing these things The second way to teach the Bible is to teach it by revealing what God says in the Bible which we call expository preaching or teaching I am very much in favor of expository teaching If a Christian is taught the Bible not taught about the Bible but actually taught to understand God and God s desire to live in and through us in a fulfilling meaningful way the Christian will be able to determine for him or herself what to do or what not to do as it becomes a part of the person s life rather than just something added to the person s life If living the vibrant Christian life through knowing God and His Word becomes the desire and goal of the Christian life learned from the Holy Spirit through God s Word that inner force becomes an external force far more useful to God than being told what to do or what not to do That desire to teach Christians in a way to build that inner force of God through knowing Him has been mine for many years This book contains Bible studies to help develop that inner force that is only by grace *The Epworth Herald* ,1892 Introducing Christian Theologies, Volume Two Victor I. Ezigbo,2015-12-31 Should Christianity s theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the
