Millard, 2010-03-25 Triunity How to Know That the Three Are One GENESIS 1 1 SAYS In the beginning God God is three in one For many years I lacked

the depth of understanding of how this could be I accepted by faith what I could not understand with my finite mind Ephesians 4:23 says And be renewed in the spirit of your mind Further study gave me a revealed knowledge of another truth that I will tie into the trinity of God Many a time women and children are not mentioned in the Bible accounts For example Matthew 15:38 says And they that had eaten were five thousand beside the women and children As the husband is the head of the wife and children his household is a trinity So Christ is the head of the church and God the Father is the Godhead The Holy Spirit is in operation for and through the church God the Father Jesus the Christ KNOWLEDGE REVEALED 23 and the Holy Spirit work as one unit as the family unit is one working together To emphasize the above fact wives and children belong to the husband and are one in him Genesis 2:24 says Therefore shall a man leave his father and mother and shall cleave unto his wife and they shall be one flesh Even so we who believe in Christ as our Savior are one in body with Him God the Father Jesus Christ the son and the Holy Spirit are one in the Godhead Regarding Triunity and further revealed knowledge A study of Through the Bible Study with Roper Press booklets A question I asked myself of which I was not sure of the answer was should I write Jesus or Triunity I simply wrote Jesus Triumphant Just then the Holy Spirit of God revealed to me that Triumphant means the whole Godhead Triunity three in one triumphant Glory to God Harlin J Roper Through The Bible Study 1978 Dallas TX Roper Press Used with permission

### **Postmodernism and the Ethics of Theological Knowledge** Justin

Thacker, 2007-01-01 This book establishes the necessary integration of theological knowledge with theological ethics It does this as a response to the postmodern critique of Christianity as exemplified in Rorty and Lyotard They argue that any claim to know God is necessarily tyrannical Contemporary responses to such postmodern thinking often fail to address adequately the ethical critique that is made This book redresses that balance by suggesting that our knowledge of God and love of the Other are so intimately connected that we cannot have one without the other In the absence of love then we simply do not know God Justin Thacker proposes that an effective theological response to postmodernity must address both knowledge and ethics in an integrated fashion as presented in this book
