**From Northeast Passage to Northern Sea Route** ,2022-09-12 The notion of a waterway north of Eurasia conceived in the first half of the sixteenth century remained only a dream for centuries due to ice unmapped coastlines and a lack of geographical knowledge This volume is the first comprehensive scholarly account in English of the slow but steady exploration and commercial exploitation of the Siberian coastal waters and it proves that this was a truly international endeavour However in the end the Northern Sea Route as a through traverse route came to be used primarily by the Soviet Union for which it became a crucial vehicle for the geopolitical and economic integration of its vast territories As an international trade route the Northern Sea Route is only today about to win its way essentially as a result of global warming This being the case should we rejoice or despair

**Liberty's Torch** Elizabeth Mitchell,2014-07-02 Turns out that what you thought you knew about Lady Liberty is dead wrong Learn the truth in this fascinating account O The Oprah Magazine The Statue of Liberty is one of the most recognizable monuments in the world a powerful symbol of freedom

and the American dream For decades the myth has persisted that the statue was a grand gift from France but now Liberty s Torch reveals how she was in fact the pet project of one quixotic and visionary French sculptor Fr d ric Auguste Bartholdi Bartholdi not only forged this 151 foot tall colossus in a workshop in Paris and transported her across the ocean but battled to raise money for the statue and make her a reality A young sculptor inspired by a trip to Egypt where he saw the pyramids and Sphinx he traveled to America carrying with him the idea of a colossal statue of a woman There he enlisted the help of notable people of the age including Ulysses S Grant Joseph Pulitzer Victor Hugo Gustave Eiffel and Thomas Edison to help his scheme He also came up with inventive ideas to raise money including exhibiting the torch at the Philadelphia world s fair and charging people to climb up inside While the French and American governments dithered Bartholdi made the statue a reality by his own entrepreneurship vision and determination By explaining Liberty s tortured history and resurrecting Bartholdi s indomitable spirit Mitchell has done a great service This is narrative history well told It is history that connects us to our past and hopefully to our future Los Angeles Times
