Go Back Emily Wagner,2025-04-30 They re taking our tech After journalist Sarah Grimes finally lands the lead story her life turns upside down Sure she exposed the Go Back movement s evil plan to take everyone s tech and pocket all the profit but that also landed her in a digital detox center otherwise known as the Center for Behavioral Recognition Inside she finds a man named Chris she met before the roundup She wants to escape with him but he disappears and she keeps getting

drugged Thankfully she teams up with an unlikely ally to escape As they all make their way to the headquarters of the resistance they have to decide how much they re willing to sacrifice for their tech *Secrets of Neverwood* G.B.

Lindsey,Diana Copland,Libby Drew,2014-06-30 Three foster brothers are called home to Neverwood the stately Pacific Northwest mansion of their youth They have nothing in common but a promise to Audrey the woman they all called mother that upon her death they would restore the house and preserve it as a home for troubled boys But going home is never easy Cal struggles to recover from past heartbreak while Danny fears his mistakes are too big to overcome Devon believes he may never break down the barriers that separate him from honest emotion On the path to brotherhood they discover the old mansion holds more than dusty furniture and secret passageways Audrey s spirit still walks its halls intent on guiding her boys toward true love and an old mystery stirs up a new danger one that could cost the men far more than just the house *Secrets of Neverwood* includes *One Door Closes* by G B Lindsey *The Growing Season* by Diana Copland *The Lost Year* by Libby Drew 166 000 words Stories also available for purchase separately **The Book of Ebenezer le Page** G.B.

Edwards,2012-03-07 Ebenezer Le Page cantankerous opinionated and charming is one of the most compelling literary creations of the late twentieth century Eighty years old Ebenezer has lived his whole life on the Channel Island of Guernsey a stony speck of a place caught between the coasts of England and France yet a world apart from either Ebenezer himself is fiercely independent but as he reaches the end of his life he is determined to tell his own story and the stories of those he has known He writes of family secrets and feuds unforgettable friendships and friendships betrayed love glimpsed and lost *The Book of Ebenezer Le Page* is a beautifully detailed chronicle of a life but it is equally an oblique reckoning with the traumas of the twentieth century as Ebenezer recalls both the men lost to the Great War and the German Occupation of Guernsey during World War II and looks with despair at the encroachments of commerce and tourism on his beloved island G B Edwards labored in obscurity all his life and completed *The Book of Ebenezer Le Page* shortly before his death Published posthumously the book is a triumph of the storyteller s art that conjures up the extraordinary voice of a living man

Churchill,2022-06-07 A unique and evocative portrait of World War II and a charming coming of age story from the private diaries of Winston Churchill s youngest daughter Mary I am not a great or important personage but this will be the diary of an ordinary person s life in war time Though I may never live to read it again perhaps it may not prove altogether uninteresting as a record of my life In 1939 seventeen year old Mary found herself in an extraordinary position at an extraordinary time it was the outbreak of World War II and her father Winston Churchill had been appointed First Lord of the

Admiralty within months he would become prime minister The young Mary Churchill was uniquely placed to observe this remarkable historical moment and her diaries most of which have never been published until now provide an immediate view of the great events of the war as well as exchanges and intimate moments with her father But these diaries also capture what it was like to be a young woman during wartime An impulsive and spirited writer full of coming of age self consciousness and joie de vivre Mary s diaries are untrammelled by self censorship or nostalgia From aid raid sirens at 10 Downing Street to seeing action with the women s branch of the British Army from cocktail parties with presidents and royals to accompanying her father on key diplomatic trips Mary s wartime diaries are full of color rich in historical insight and a charming and intimate portrait of life alongside Winston Churchill during a key moment of the twentieth century **The Law-bringers** G.
