How to Survive the Unthinkable Jack Norton, Kitty Norton, 2025-02-18 When Violence Knocks Will You Be Ready to Fight Back What would you do if someone kicked in your front door tonight The locks won't hold The police won't get there in time And the man who just forced his way inside isn't here to steal your TV he's here for you and your family This isn't a movie This is real life and if you're not ready you won't survive Every night violent home invasions are happening across the country Brutal attacks Kidnappings Families torn apart No neighborhood is safe anymore Suburbs are targets Remote cabins are vulnerable You think a sleepy rural town will protect you Think again The bad guys are coming and they don't care where you live or how friendly your neighbors are They care about how fast they can get in and whether or not you're prepared to stop them Will you be ready when the unthinkable happens If you think a deadbolt is enough you're wrong If you think calling 911 will save you you're too late And if you haven't planned for that moment when fear grips your throat and you only have seconds to react then you've already lost This book is your lifeline In *Survive the Unthinkable* we show you exactly what to do before violence comes to your door You'll learn How to fight back and win when escape isn't an option The one weapon no intruder expects and how to wield it How to set up a safe room that buys you time when seconds mean life or

death What predators look for in neighborhoods like yours and how to make your home the one they avoid Why the police might not come at all and how to survive without them This isn't a book about living in fear it's a manual for making sure your family stays alive Because violent criminals don't care about your plans They don't care if you live or die And they will take everything from you if you're not ready to fight back The world isn't getting safer The violence is growing creeping into places that used to feel untouchable Right now someone is watching homes just like yours waiting for the right moment to strike Will you be ready Or will you freeze and pray for mercy that will never come This book could mean the difference between life and death Don't wait until it's too late Get your copy of *Survive the Unthinkable* now and make sure your family is prepared to face whatever is coming Because if you aren't ready they will be [Guard Dog Training](#) Dennis
