## **Hunger And Discipleship:**

**Hunger and Discipleship** Vicki Ross, 1982      **A Biblical Theology of Christian Discipleship** Johnny Turner, 2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ      *Discipleship* Dietrich Bonhoeffer, John D. Godsey, Barbara Green, Geoffrey B. Kelly, 2003-05-28 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches      Christology and Discipleship in the Gospel of Mark Suzanne Watts Henderson, 2006-03-23 Exploring the interrelated topics of Christology and discipleship within the apocalyptic context of Mark's Gospel Henderson focuses on six passages Mark 1:16-20 3:13-15 4:1-34 6:7-13 6:32-44 6:45-52 Together these passages indicate that the disciples failed to understand not just Jesus messianic identity per se but the apocalyptic nature of his messiahship as well as its implications for their own participation in God's coming reign The implications of this for Mark's gospel as a whole are to situate Mark's Christological claims within the broader context of the apocalyptic gospel of God This lends coherence to Mark's bifocal interest in miracle and passion It also illuminates the relationship between Mark's Jesus and his followers as those who carry forward his own mission to demonstrate the coming kingdom of God which is fully assured if not yet fully in view      *The Christian Response to Hunger in America* Barbara Muse M.Div., 2019-08-16 In this country alone there are over 22 million children receiving free or reduced meals during the school year During the summer months those same children can scarcely find a free nutritious meal Using Lamentations 2:19 as a guide Christians are to respond to the hunger that they see on the streets of America and eventually throughout the world The assignment begins at home by making sure that no child goes hungry in America I present this book to stir to move and to compel Christians to action in regards to ending hunger in the name of Jesus Christ I lay out compelling reasons biblically

historically and theologically why Christians should respond to the call to feed hungry children I pray that this book liberates Christians to take action for the children in our neighborhoods in our state in our country and in the world who need food

**Awakening Youth Discipleship** Brian J. Mahan, Michael Warren, David F. White, 2008-01-01 Youth ministry has increasingly lost touch with its origins in the way of Jesus and the social practices intrinsic to Christian discipleship and has instead substituted layers of Jesus talk middle class values fun and games and doses of warm fellow feeling Awakening Youth Discipleship articulates the history of this domestication of youth and ministry Mahan Warren and White tell a story of the ways in which our society has colluded to shape a domesticated adolescence The authors believe a Christian response to this challenge must be multilevel addressing the problem at three levels society church and individual The authors propose reclaiming practices of discernment that both engage congregations in social awareness and involve individuals in discerning fuller vocational opportunities than those allowed by popular cultural norms The New Christian Quarterly , 1996

**Radical Discipleship** Roland Chia, 2006-08-14 The Sermon on the Mount is perhaps the most famous passage in the Gospel of Matthew Even unbelievers like Mahatma Gandhi appreciate the teaching of the Sermon and applaud the high morality it espouses Others see in statements like love your enemies and turn the other cheek a powerful rhetoric against war and violence Most Christians are familiar with the Sermon and see it as delineating important ethical principles for Christian living Familiarity with the Sermon however can ironically prevent Christians from understanding its true message and significance Some for instance see the Sermon merely as a body of ethical teachings that has some practical relevance Many find some of its imperatives too idealistic In this book Chia asks basic questions as he reflects on the Sermon on the Mount What is the main focus of the Sermon Does the Sermon present a code of conduct for Christians or is the Sermon really about the dawn of a new eschatological community inaugurated by Jesus Christ Chia maintains that the Sermon can be properly understood and its significance firmly grasped only when it is read in the light of Christ and God's eschatological kingdom The Sermon presents the attitude values and conduct of the new community that Christ has gathered in his name But this new reality that has dawned awaits fulfillment at the consummation of the kingdom of God In the ambivalence of the already and not yet the Sermon depicts Christian discipleship as an impossible possibility Yet the Sermon clearly challenges Christ's disciples to be a community of character and to embody an ethic which is inimical to that of the world **True**

**Discipleship** John Koessler, 2003-03-01 Most of us would answer No when asked if we were like Jesus How do we become more like Jesus John Koessler believes the answer is by understanding and developing the marks of a true disciple in our lives In True Discipleship and the Companion Guide he provides a straightforward presentation of the characteristics Jesus laid out for His disciples As he offers teaching on the practice of discipleship and the responsibility of being a disciple readers will be stretched in their thinking and encouraged in their journey *The Beatitudes, Discipleship, and the Justice of God* Brooks Harrington, 2024-10-15 What does Jesus call his disciples to do To proclaim correct doctrines about Jesus To avoid sinners

and condemn sin To impose their values and rules upon the wider society To be supportive of the church From the experience of almost three decades of work with the poor the homeless the crime victim and the abused child as a lawyer and a United Methodist minister Brooks Harrington hears Jesus in the Gospel according to Matthew teaching and showing that discipleship is the Way of Mercy Disciples are called to endure in following Jesus and trusting the Father despite the challenges of discipleship the growing misery and evil in the world the belittling of the power of God's mercy by the world's opposing kingdoms and the delay in the arrival of God's promised Kingdom of shalom The Beatitudes are the twelve steps of discipleship to God's Kingdom of Mercy and blessings from God empowering disciples to persist in mercy in the midst of so much pain injustice and opposition After each of the twelve steps Harrington tells a fictional story of four women struggling to be disciples in our day and time by protecting the poor and undocumented refugees *Design for Discipleship* J. Dwight Pentecost, 1971 Dr Pentecost demonstrates that discipleship is a growing experience of knowledge commitment active love and service

Morris,2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in Gospel Discipleship can clarify the path they need to walk Some people love to go on mission trips

some people really thrive learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow *The Making of Disciples* Zacharias Tanee Fomum, 2015-03-22 This critically important book is presented by the author as An attempt to provide the needful for the Lord's call to make disciples It is a statement of the revelations doctrines methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church Therefore go and make disciples of all nations Finally the making of disciples is all about the work of transforming a sinner into a repentant sinner a repentant sinner into a convert a convert into a young disciple leading the young disciple to spiritual maturity and finally helping him to become a disciple maker This book is highly recommended to the body of Christ **Christian Advocate**, 1908

**Preaching for Discipleship** Michael E. Connors, 2021-01-25 The homily is a primary way that pastors and deacons can communicate how the whole parish community forms the catechumens Many parishioners are not aware of their role in the Christian initiation process In *Preaching Discipleship Preparing Homilies for Christian Initiation* Michael E Connors CSC provides homilists and catechists with the tools to evangelize not only the catechumens present but also to capture the imagination of the parish community so that they too realize their own role in the Christian initiation process This resource will help the homilist Build a homily Foster a deeper appreciation of the call to discipleship on the part of the assembly Instruct the assembly on their role in the Rite of Christian Initiation so that right from the outset the catechumens may feel that they belong to the people of God Bring the baptized and catechumens into a deeper personal relationship with the Lord Provide specific insights during the period of Mystagogy
