Apocalypse Randal S. Chase, 2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord's anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson Key to the Science of Theology Legacy LDS Audiobook Foundation, 2017-10-22 Parley P Pratt began to work on The Key to the Science of Theology in San Francisco in August 1851 just before leaving for his mission to Chile He continued writing it while in Chile He finished the manuscript upon his return to Utah in 1853 The manuscript remained unpublished however until 1855 when Parley found a publisher in England Parley's book represented a lifetime of thought and built on ideas first propounded in Pratt's earlier writings especially missionary tracts stemming from
