weapons to offer skilled pilots as well as battle ships powerful enough to destroy planets The technology of the years had taken away from the people however Trained to survive a push button world ground assaults were nothing but stories to the military of this time Sights set on the rebels from Earths past Radkins develops a time ship the Epoch Hie to bring the group to his war Depending on the fact that they were traitors to their country and government he planned to buy their services He had no doubts that for the right price the Raiders would help him over power and enslave the Galithians who were fighting the rebellion against him Upon discovering Radkins plans the rebellion is faced with yet another problem in defeating the Alterrian forces Barely surviving as it was they would not be able to withstand what the Raiders could do to the rebellion Appointed to find the group Major Kile Dorant and the pilots of Fire Squad begin the search Reading the groups past in the history is alarming to say the least Known as traitors murderers and deserters the Raiders training and skills would undoubtedly destroy the rebellion if Radkins succeeded in using the group against them
