Glass,2017-01-27 The drug addicted mother gave birth to the future killer in a back alley on skid row The mother wanted to throw him in the dumpster but a friend interceded by wrapping the baby in an old rag and pacing him on the top step of the church The baby grew up in the orphanage where the Nuns discovered he had a brilliant mind and a uncanny gift of being able to duplicate any great artist What they didn't discover is his lack of compassion and his fascination with death He honed the skills of a killer during his period in the orphanage He went on to become a serial killer where he took his vacations on the luxurious cruise ship Ellen Jean Killer Cruise Large Print Edition Dawn Brookes,2019-07-20 A body in the water A plethora of suspects Rachel Prince must be on another cruise Plus by popular demand Lady Marjorie Snellthorpe returns Crew aboard the fictional Coral Queen find themselves stretched to the limit by the antics of a Queen tribute act a troublesome stag party and a group of excitable female cheerleaders Rachel is accompanying Lady Marjorie on a cruise around the Baltics The older woman is hoping for a mystery while Rachel seeks peace and quiet PC Rachel Prince cruise ship sleuth can't believe it when a man dies under suspicious circumstances The probable homicide occurs shortly after an unpleasant encounter with a Freddie Mercury lookalike Rachel and Marjorie find themselves absorbed by the man's untimely death and surrounded by suspicious characters with ample motive for killing the unpopular victim The Chief of Security wavers between involving Rachel in the investigation and keeping her away from it Sarah Rachel's best friend and cruise ship nurse is keen to keep her out of harms way but it's a case of the irresistible force meets the immovable object when there's a mystery to be solved Rachel is spurred on by the incorrigible Marjorie who is keen to interfere and test her own sleuthing skills Chief Waverley and Sarah are fighting a losing battle and become more and more exasperated by Rachel's involvement In addition to this they both have problems of their own As the dead man appeared to have more enemies than friends this mystery tests Rachel to the limit She finds herself in danger as she tries to keep Lady Marjorie safe while solving the crime Join the crew and passengers aboard the Coral Queen for another exciting adventure at sea *Up from Invisibility* Larry Gross,2001-12-26 A half century ago gay men and lesbians were all but invisible in the media and in turn popular culture With the lesbian and gay liberation movement came a profoundly new sense of homosexual community and empowerment and the emergence of gay people onto the media's stage And yet even as the mass media have been shifting the terms of our public conversation toward a greater acknowledgment of diversity does the emerging visibility of gay men and women do justice to the complexity and variety of their experience Or is gay identity manipulated and contrived by media that are unwilling and perhaps unable to fully comprehend and honor it While positive representations of gays and lesbians are a cautious step in the right direction media expert Larry Gross argues that the entertainment and news media betray a lingering inability to break free from proscribed limitations in order to embrace the complex reality of gay identity While noting major advances like the opening of the Oscar Wilde Memorial Bookstore the first gay bookstore in the country or the rise of The Advocate from small newsletter to influential national paper Gross takes the measure of somewhat more

ambiguous milestones like the first lesbian kiss on television or the first gay character in a newspaper comic strip *Sammy Keyes and the Showdown in Sin City* Wendelin Van Draanen, 2013-01-08 The most winning junior detective ever in teen lit Take that Nancy Drew Midwest Children's Book Review In this pivotal book in the Sammy Keyes series Sammy tackles the persistent mysteries of her own life Mysteries like Who is her father And why has her mother kept it such a secret How long can she manage to hide out in Grams seniors only building before someone catches on Is her mother really planning to marry her boyfriend's father Ew And why why is Heather Acosta so nasty During one crazy weekend in Las Vegas with the help of an entire army of Elvis impersonators Sammy finally gets some answers But of course knowledge comes at a price and solving the mysteries of her own life will cost Sammy more than she ever meant to pay The Sammy Keyes mysteries are fast paced funny thoroughly modern and true whodunits Each mystery is exciting and dramatic but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest Casey her soap star mother and her mysterious father
