Knight Flandry:

Sir Dominic Flandry: The Last Knight of Terra Poul Anderson, 2010-12-01 A KNIGHT WITHOUT ARMOR IN A SAVAGE GALAXY Captain Dominic Flandry has been knighted for his many services to the Terran Empire an Empire which is old, jaded and corrupt as Flandry well knows but he also knows that the Empire is better than anything that is likely to take its place. And while that _Sir before his name may be an added attraction to comely ladies not that he has ever lacked for the pleasant company of the same he expects that it will also bring him less welcome attention from envious _colleagues within the empire. What it is not likely to do is make him more of an object of interest to the alien Merseians whose plots against the Empire he has repeatedly foiled. They already are as aware as they can be of how much simpler their plans to rule the galaxy would be if their most dangerous adversary were the late Sir Dominic Flandry. This is the sixth volume in the first complete edition of Poul Anderson's Technic Civilization saga. At the publisher's request this title is sold without DRM Digital Rights Management. _These are stories of the classic science fiction tradition: hard science and tough characters in logically well integrated action stories. Jerry Pournelle. _One of science fiction's authentic geniuses. Chicago Sun Times. _The winner of seven Hugos and three Nebulas, one of the towering figures of modern SF and fantasy. Publishers Weekly. _Anderson fuses elegiac prose and a sweeping vision of man's technological future as only he can. Booklist. *Knight Flandry* Poul Anderson, 1980. *Flandry's Legacy* Poul Anderson, 2011-04-05 Sir Dominic Flandry is now an Admiral but takes little joy in his new rank. He sees the rot in the Terran Empire on every hand and knows that the Long Night will inevitably fall upon the galaxy. His consolation is that measures he has taken while doing what he can to postpone the Empire's final collapse may shorten the coming galactic dark age and hasten the rise of a new interstellar civilization. In the meantime he'll enjoy the comforts of a decadent civilization and he'll always be ready for one more battle against the Empire's enemies. This concluding volume of the Technic Civilization saga, one of the milestones of modern science fiction, includes two full length novels: *A Stone in Heaven*. When the daughter of Flandry's mentor asks for help, he intervenes and finds he must thwart a would-be dictator's plans to seize control of the Empire. *The Game of Empire*. The Merseians, alien enemies of the Empire, have put into motion an insidious plan to bring the Terran Empire down. Flandry's daughter, Diana, and her feline-like alien friend have discovered the conspiracy but can they stop it in time? Plus three novellas and a novelette set in the time of the Long Night and the renaissance of civilization which followed it, concluding one of the grandest adventure sagas in science fiction. At the publisher's request this title is sold without DRM Digital Rights Management. **The High Crusade** Poul Anderson, 2010-09-01 In the year of grace 1345, as Sir Roger Baron de Tourneville is gathering an army to join King Edward III in the war against France, a most astonishing event occurs: a huge silver ship descends through the sky and lands in a pasture beside the little village of Ansby in northeastern Lincolnshire. The Wersgorix, whose scouting ship it is, are quite expert at taking over planets and having determined from orbit that this one was suitable, they initiate standard world

conquering procedure Ah but this time it s no mere primitives the Wersgorix seek to enslave they ve launched their invasion against free Englishmen In the end only one alien is left alive and Sir Roger s grand vision is born He intends for the creature to fly the ship first to France to aid his King then on to the Holy Land to vanquish the infidel Unfortunately he has not allowed for the treachery of the alien pilot who instead takes the craft to his home planet where he thinks these upstart barbarians will have no choice but to surrender But that knavish alien little understands the indomitable will and clever resourcefulness of Englishmen no matter how great the odds against them At the publisher s request this title is sold without DRM Digital Rights Management
