Mackey, Albert Pike, Michael R. Poll, 2013-12-01 Legendary Masonic authors Albert Mackey and Albert Pike take us on an amazing venture from the days of the Crusades and the Knights Templar to the creation of modern speculative Freemasonry in a collection of inspiring papers Includes the rare *The Order of the Temple* by Albert Pike Edited by Michael R Poll with a Foreword by S Brent Morris **Knights and Freemasons** Michael R. Poll, S. Brent Morris, 2005-11-01 Legendary Masonic

authors Albert Mackey and Albert Pike take readers on an amazing history up to the creation of modern speculative Freemasonry Includes the very rare *The Order of the Temple* **The Secret History of Freemasonry** Paul Naudon, 2005-03-28 Explores the hidden history of Freemasonry from ancient Rome through the Middle Ages to the present Shows the close connection between medieval masons and the Knights Templar Illustrates the sacred nature of Roman and medieval trade associations Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times emphasizing that there is no direct bridge connecting the two Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple Using medieval archives housed throughout Europe historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar Church records of medieval Paris show that most if not all the Masons of that time were residents of the Templar censive which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome He traces the evolution of organizations such as the Comacine Masters the Arab turuqs and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar all of which provide the vehicle for the transmission of a sacred tradition from pre Christian times to the modern era This tradition is the source of Masonic ritual and symbolism and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry **The Temple and the Lodge**

Michael Baigent, Richard Leigh, 2011-04 Dispelling myths and challenging the traditional evaluations of European and American history here is an illuminating investigation into the evolution of *The Secrets of Freemasonry* Robert Lomas, 2011-09-01 Many people are curious about the existence of secret societies which claim to hold arcane religious or esoteric knowledge and pass it down through the generations via selected adepts Classic Masonic writers including William

Preston Robert Gould JSM Ward AE Waite and WL Wilmshurst have written about secret traditions connected to the Temple of Sion Each has different ideas about how mystical knowledge came into Freemasonry Some say that the Charter of Larmenius reveals an underground line of Knight Templar Grand Masters who survived down to the nineteenth century All agree there is a Secret Lodge or House of Adepts who continue to teach true knowledge of the ancient mysteries and that The Craft transmits beliefs linked to the Earls of Rosslyn the Knights Templar and Lodge Mother Kilwinning Masonic expert Robert Lomas has collected together this thread of belief from old Masonic writers and rewritten it in modern English to make the ideas accessible to modern readers Turning the Templar Key Robert Lomas,2007-10-25 Discover the truth about the connection between the Knights Templar and the Freemasons The third volume in Robert Lomas s Key trilogy this book explains the relationship of the Knights Templar to modern day Freemasonry The contemporary view of the Knights Templar according to Lomas has been romanticized and glorified to the point where it does not resemble the reality namely that the Knights Templar were uneducated religious zealots more akin to Al Qaeda than a true monastic order The order only existed for a couple of hundred years and was disbanded seven hundred years ago Lomas asks the question Why do people even care about them anymore Lomas draws on Freemasonic information to answer this question and to explore the rituals and myths of the Knights Templar and how they relate to Freemasonry Along the way he delves into the mysteries of Roslin chapel the history of agriculture and the role of women in spreading it At the heart of the book is Lomas s exploration of how the tolerant and inclusive spiritual practices of modern Freemasonry managed to grow out of what was effectively an order of suicide bombers October 13 2007 is the 700th anniversary of the Dissolution of the Knights Templar The Hiram Key Christopher Knight,Robert Lomas,2011-10-31 Was Jesus a Freemason The discovery of evidence of the most secret rites of Freemasonry in an ancient Egyptian tomb led authors Chris Knight and Bob Lomas into an extraordinary investigation of 4 000 years of history This astonishing bestseller raises questions that have challenged some of Western civilisation s most cherished beliefs Were scrolls bearing the secret teachings of Jesus buried beneath Herod s Temple shortly before the destruction of Jerusalem by the Romans Did the Knights Templar the forerunners of modern Freemasonry excavate these scrolls in the twelfth century And were these scrolls subsequently buried underneath a reconstruction of Herod s Temple Rosslyn Chapel in Scotland where they are now awaiting excavation The authors discoveries shed a new light on Masonic ceremony and overturn our understanding of history **Secret America** Barb Karg,Rick Sutherland,2010-05-18 The Washington Monument The pyramid on the 1 bill The Skull and Bones Society at Yale University Common American icons or secret symbols From our founding fathers to our most prestigious institutions this is a nation built on such secret symbols rites and rituals So forget the textbook version of history and embark on a fascinating and fantastic journey of America s hidden past This tell all handbook is your personal guide to the secret laden people places and things of our great nation including Sign filled national treasures in museums from coast to coast Ancient mysteries of our most familiar cities
