Knock Down:

Knocking Down the Walls of Jericho in Your Life Reginald T. C. Pope, 2022-08-01 We all fall short but what are you going to do about it I was at a point in my life where I was headed a downward spiral At this brink of my life I was about to lose it all I was a foolish man that was not going to change and dared not to because I believed I could accomplish any and everything without God I did not see my issues as problems I was a man jeopardizing my soul mind freedom marriage parenthood leadership and morals Thank God he stopped me because deep down I didn't want to be the foolish ungrateful spiteful manipulative liar that I was As I was going through God spoke to me and told me to knock down the walls of Jericho that were in my life so I followed his Word I wrote this book from perspectives analogies and testimonies to help others like me that want to invoke change and build or rebuild a relationship with God We are all the same in some fashion We are not perfect as Christians but we can become better every day as the saints of the Lord This book will inspire you to gain a relationship with God and it also lets you know that you're not alone and will never be You will not be the only person going through trials and tribulations It's time to help each other Knock Down the Walls of Jericho that are in our lives

Knockdown Sarah Graves, 2011-04-26 Jacobia Jake Tiptree is deep in her latest home improvement project repainting the porch of her lovingly restored house in Eastport Maine when she notices the man repeatedly biking past her house His face is unsettlingly familiar but his chilling message seems inexplicable Blood shows up again Murder will out Then there's the anonymous email warning her to beware the Fourth of July just two days away Jake remembers some shady characters from her days as a hotshot financial manager but she's baffled as to the identity of her nemesis until she receives a photo of a murdered man From home invasion to kidnapping this twisted killer is slowly but surely plotting a knockdown not just for Jake but for the entire town of Eastport **BONUS** This edition includes an excerpt from Sarah Graves's *Dead Level*
