Heaven Can You Hear Me? Peter James,Gian Temperilli,2017-03-10 Eye opening riveting I couldn t put it down After reading Heaven Can You Hear Me I wasn t afraid of the dark anymore Chuck Williams Filmmaker www.chuckwilliamsfanclub.com Heaven Can You Hear Me Is a wonderful glimpse into the mind and methodology of Peter James unique way of looking at and dealing with the spirit world This book is an important contribution to the field of parapsychology as it teaches us not to fear the spirit world but to treat the dead as they are long lost friends This book is a must read from the casual armchair reader to the seasoned paranormal investigator Robert J Davis CEO Planet Paranormal Broadcast Network My father knew Peter James was a valid medium who also was in search of the truth about ghosts demons and partridges in a pair tree Heaven Can You Hear Me is exactly why I wrote my memoir in using the same tones of humor and straight forwardness One can choose to be very serious and dull pointing out the facts or one can do what Peter did and shoot straight from the paranormal hip Peter said to be Mindful regarding the manner in which a ghost replies with audible words When able to do so an entity isn t able to speak with the same kind of fluidity as physical beings This is precisely what my father has said from the very beginning If we do not understand and put the cart before the horse then surely we will miss the whole ride that lay ahead of us In this read Peter gives us his interpretations of many methods used questions asked types of techniques and paranormal realms including mediumship reincarnation possession and connecting with the other side I highly recommend

this book from one of the great mediums and researchers of modern times As I progress in my own research I cannot say it enough on how simple it can be when we slow down and intuitively feel what we are experiencing rather than worry about which herb we will need to ward off the evil spirits Thanks Peter and you are sorely missed Author and Paranormalist Alexandra Holzer The pioneering work of the great Peter James has inspired people all around the world He is revered by all who knew him and respected by all who knew his work Heaven Can You Hear Me is by far THE definitive collection of Peter s cases theologies and understanding of the paranormal and an amazing look into the man himself Thomas Durant Host Producer Altered States Paranormal Radio
