Understanding God's Will John W. Boland,2015-11-10 How can you really know God s will Well for starters stop asking the wrong questions The wrong questions are all dealing with self Who will I marry where will I go to school what career will I have what will I do etc Understanding God s Will is to find out who God really is why we are important to Him why the life of Jesus Christ really matters finding out where God is working in your life and joining him You do this through daily prayer consistent Bible study following Jesus s example of Godly living looking for every opportunity to do Christian service growing as a disciple helping others to grow and living to serve Him not being served It all started with a question One simple question At least that is what I thought Any mature Christian should be able to answer one obvious question right Well not so easy I was a young Christian at the time I had only accepted the Lord Jesus Christ a few short months before I was being discipled by several well meaning Bible believing scripture memorizing men of God Now I wanted to know the burning question that Christians throughout the centuries have wanted to know So I asked *Understanding God's Will* John W. Boland,2017-05-18 Have you ever asked that question that no one ever seemed to be able to answer The writers journey started that way One simple question At least that is what he thought Any mature Christian should be able to answer one obvious question right Well it wasn t that easy Think about it A young Christian having only accepted the Lord Jesus Christ a few short months before He was even being discipled in his faith Now he asked the burning question that Christians throughout the centuries have wanted to know He just had to ask Have you ever asked a question like that That one that few people seem to be able to answer This book is the result of that question which started a seven year search of the scriptures followed by a forty year follow up Hopefully this book bible study will help you find your answers too From the author of Workplace Evangelism Taking Your Faith to Work
