God (2008 Edition) Henry T. Blackaby, Richard Blackaby, Claude V. King, 2008-09-01 The Experiencing God ministry is even more vibrant today than when it began As it continues to rise and the world continues to change the Experiencing God book has been revised and expanded with more than seventy percent of its material newly written A modern classic that has sold millions of copies worldwide Experiencing God is based on seven Scriptural realities that teach us how to develop a true relationship with the Creator By understanding how God is working through us even as we try to fathom His ways we can begin to clearly know 7 Steps to Knowing, Doing, and Experiencing the Will of God Tom Blackaby, Mike Blackaby, Daniel Blackaby, 2013 Looks at what it means for teenagers to have a vibrant personal relationship with God in their often random and challenging settings **Knowing God's Will and Voice: Knowing and doing God's will**, *Understanding God's Will* John W. Boland, 2015-11-10 How can you really know God's will Well for starters stop asking the wrong questions The wrong questions are all dealing with self Who will I marry where will I go to school what career will I have what will I do etc Understanding God's Will is to find out who God really is why we are important to Him why the life of Jesus Christ really matters finding out where God is working in your life and joining him You do this through daily prayer consistent Bible study following Jesus's example of Godly living looking for every opportunity to do Christian service growing as a disciple helping others to grow and living to serve Him not being served It all started with a question One simple question At least that is what I thought Any mature Christian should be able to answer one obvious question right Well not so easy I was a young Christian at the time I had only accepted the Lord Jesus Christ a few short months before I was being discipled by several well meaning Bible believing scripture memorizing men of God Now I wanted to know the burning question that Christians throughout the centuries have wanted to know So I asked **Understanding God's Will** John W. Boland, 2017-05-18 Have you ever asked that question that no one ever seemed to be able to answer The writer's journey started that way One simple question At least that is what he thought Any mature Christian should be able to answer one obvious question right Well it wasn't that easy Think about it A young Christian having only accepted the Lord Jesus Christ a few short months before He was even being discipled in his faith Now he asked the burning question that Christians throughout the centuries have wanted to know He just had to ask Have you ever asked a question like that That one that few people seem to be able to answer This book is the result of that question which started a seven year search of the scriptures followed by a forty year follow up Hopefully this book bible study will help you find your answers too From the author of Workplace Evangelism Taking Your Faith to Work **Knowing and Doing the Will of God** David Jones, 2017-08-02 Christians rightly believe that within the pages of the Bible God reveals His moral will to His people Indeed by studying Scripture believers can learn to follow God's moral standards which address a wide range of life issues Yet many Christians wrestle with the idea of knowing and doing what they believe to be a special individual will of God for their lives As commonly understood this individual will is related to subjects such as what school to attend whom to marry which church to join what career path to pursue what

purchases to make and a host of other similar issues In this book author David W Jones examines the important concept of the will of God and suggests that Scripture alone is sufficient for Christian life and practice In the process of looking at God s will in Scripture this book helps readers to understand the meaning of major biblical passages that speak about God s will Topics that are explored and explained in this clear volume include the difference between true and false prophets the practice of casting lots the biblical use of the Urim and Thummim the place of dreams and visions in the Christian life the idea of angelic visitation as well as the use of supernatural signs to know the will of God Additionally this text includes discussions about the place of prayer in decision making the role of the Holy Spirit in revelation and suggestions for how so called weaker and stronger brethren can interact regarding issues of Christian liberty *Experiencing God: Knowing and Doing the Will of God, Legacy Edition* Claude V. King, Henry T. Blackaby, Richard Blackaby, 2020-10 After a thorough revision this landmark volume returns with seven new chapters as well as dozens of true stories from people who through this book have experienced God Taken from back cover *Walking in the Light* Steve Harper, 2014-08-01 While Christians are hungry to know God s will we often don t know how to go about learning what that might be With his gentle pastoral style Steve Harper encourages you to pray and read scripture in ways that lead to knowing and doing God s will He employs the metaphor of walking in the light to frame a method of prayer and practice using scripture and tradition to inform the steps of this ongoing walk with God called discernment Questions for reflection and discussion are provided at the end of the book
