Knowing Jesus Through the Old Testament Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion

Knowing the Holy Spirit Through the Old Testament Christopher J. H. Wright, 2025-07-29 We tend to think of the Holy Spirit as the straggler of the Trinity a latecomer in God s interaction with the world But our first introduction to the Holy Spirit is not the drama of Pentecost in the second chapter of Acts We first meet the Holy Spirit in the second verse of the Bible hovering there speaking the world into existence Christopher Wright begins here and traces the Holy Spirit through the pages of the Old Testament We see the Third Person of the Trinity in the decrees of prophets and psalmists in the actions of judges and craftspeople in the anointing of kings and the promise of a new creation Knowable and discernable in the Old Testament the Holy Spirit is thus eminently knowable to us The witness of the whole of Scripture from its first pages to its last directs us to a Holy Spirit empowering the people of God and sustaining and renewing the face of the earth
