Biennial Report of the State Superintendent for the School Years Ending July 31 ... and July 31 ... Indiana.

Department of Public Instruction, 1906 End's Beginning Sebastian Williams, Williams Sebastian Williams, 2010 A bright flash illuminated the darkened cave The sound of thunder that followed caused the very ground they were standing on to tremble Is everyone all right Oren asked Before anyone could answer they heard something they could not place but it seemed as if it were coming from the direction of the entrance The dim light emanating from Oren s torch shone on Seff s scarred face as he slowly made his way towards the entrance Suddenly the noise forcefully echoed within the dark cavern as the entrance fell in with boulders and sealed the startled adventurers inside Even though he was a few feet from the rocky doorway Seff instinctively jumped back in order to avoid this landslide After regaining their balance from this new trembling

ground the covenant of six looked around their new darker surrounding What just happened Dov asked in a confused tone Seff ran forward into the darkness We are trapped he said panicking as he checked the new wall for any cracks or holes with his hands There were none It was completely sealed Nothing could enter or leave the cavern from the opposite side now From End s Beginning Fate or free will This is a theory which has plagued the mind of man since the dawn of his time Long ago in an age when man was beginning his destiny six people stood atop a mountain The purpose of these adventures was to enter the cavern before them and find an ancient prize sealed within its rocky embrace Little did they know that this prize was greater then they could have ever possibly imagined Their actions throughout this endeavor would prove to have a profound consequence for the human race a consequence so great that even biblical scriptures have ignored As the human race continued throughout the years this secret was spared from them Now in our modern day one obstetrics nurse Evelyn Bryce is about to stumble onto this divine truth Through her actions and the actions of those around her she begins to suspect that all things are not what they appear to be and a strong force as old as man himself holds the answer to his origins
