Knowledge Management Establishing A Field Of Practice:

Creating Knowledge Advantage Nigel Holden, Martin Glisby, 2010 Some CBS Press titles are published in cooperation with its regional partners Liber AB in Sweden and Universitetsforlaget AS in Norway Book Jacket **The Essentials of Knowledge Management** John S. Edwards, 2016-04-29 This book reviews the field of Knowledge Management taking a holistic approach that includes both soft and hard aspects. It provides a broad perspective on the field rather than one based on a single viewpoint from Computer Science or Organizational Learning offering a comprehensive and integrated conception of Knowledge Management. The chapters represent the best Knowledge Management articles published in the 21st century in Knowledge Management Research Practice and the European Journal of Information Systems with contributors including Ikujiro Nonaka, Frada Burstein and David Schwartz. Most of the chapters contribute significantly to practice as well as theory. The OR Essentials series presents a unique cross section of high quality research work fundamental to understanding contemporary issues and research across a range of Operational Research topics. It brings together some of the best research papers from the highly respected journals of the Operational Research Society also published by Palgrave Macmillan. **New Research on Knowledge Management Applications and Lesson Learned** Huei Tse Hou, 2012-03-02 Due to the development of mobile and Web 2.0 technology, knowledge transfer, storage and retrieval have become much more rapid. In recent years there have been more and more new and interesting findings in the research field of knowledge management. This book aims to introduce readers to the recent research topics; it is titled New Research on Knowledge Management Applications and Lesson Learned and includes 14 chapters. This book focuses on introducing the applications of KM technologies and methods to various fields. It shares the practical experiences and limitations of those applications. It is expected that this book provides relevant information about new research trends in comprehensive and novel knowledge management studies and that it serves as an important resource for researchers, teachers and students and for the development of practices in the knowledge management field.

ICICKM2010-Proceedings of the 7th International Conference on Intellectual Capital, knowledge Management and Organisational Learning Eric Tsui, Cultural Implications of Knowledge Sharing, Management and Transfer: Identifying Competitive Advantage Harorimana, Deogratias, 2009-08-31 This book illustrates, compares and discusses models, perspectives and approaches involved in the distribution, administration and transmission of knowledge across organizations. Provided by publisher. *Knowledge Management* Irma Becerra-Fernandez, D. E. Leidner, Dorothy Leidner, 2014-12-18 This book serves as a complete introduction to the subject of Knowledge Management. KM and incorporates technical as well as social aspects, concepts as well as practical examples and traditional KM approaches as well as emerging topics.
