Philipp Von Wussow Michael Walzer **Tradition vs. Traditionalism** Avi Sagi, 2008-01-01 This book is a first attempt to examine the thought of key contemporary Jewish thinkers on the meaning of tradition in the context of two models The classic model assumes that tradition reflects lack of dynamism and reflectiveness and the present's unqualified submission to the past This view however is an image that the modernist ethos has ascribed to the tradition so as to remove it from modern existence In the alternative model a living tradition emerges as open and dynamic developing through an ongoing dialogue between present and past The Jewish philosophers discussed in this work Joseph B Soloveitchik Yeshayahu Leibowitz David Hartman and Eliezer Goldman ascribe compelling canonic status to the tradition and the analysis of their thought discloses the tension between these two models The book carefully traces the course they have plotted along the various interpretations of tradition through their approach to Scripture and to Halakhah *Catholic - Jewish Engagements on Israel* Gavin D'Costa, Veto Ccn Etienne, White Op Thomas Joseph, 2025-07-25 This is the first volume of its kind bringing together a group of international Jewish and Catholic scholars in creative conversation addressing the question of the status of the land called Israel Is Israel best viewed as political territory the Holy Land or part of the biblical promise If committing to one of these options what are the theological and political consequences The book is divided into sections that take the reader through several related questions that bear upon this topic There is a preface with an overview of how far Catholic Jewish conversations have gone since Nostra Aetate and how these conversations have now begun to address the land Then there is an attempt to advance positive theological cases by Catholics and Jews affirming the people in the land as theologically significant not without difficulties regarding the state itself The next section deals with the bible Tanakh as the basis of such claims and addresses the different reading strategies by each community One of the central questions is then addressed what of the Palestinian people do the biblical promise to the Jewish people spell disaster for the Palestinians Can revelation mean dispossession The following essays address a stumbling block for both groups do Jewish and Christian theologies underwrite a nation state Isn't this option perilously close to God underwriting nationalism The book ends with subtle critiques of the entire venture undertaken in this volume Essential reading for Catholic Jewish relations and one that addresses one of the most pressing contemporary questions for both religions *The Philosophy of Joseph B. Soloveitchik* Heshey Zelcer, Mark Zelcer, 2021-03-29 Providing a concise but comprehensive overview of Joseph B Soloveitchik's larger philosophical program this book studies one of the most important modern Orthodox Jewish thinkers It incorporates much relevant biographical philosophical religious legal and historical background so that the content and difficult philosophical concepts are easily accessible The volume describes his view of Jewish law Halakhah and how he answers the fundamental question of Jewish philosophy namely the reasons for the commandments It shows how many of his disparate books essays and lectures on law specific commandments and Jewish religious phenomenology can be woven together to form an elegant philosophical program It also provides an analysis and summary of Soloveitchik's views on Zionism and on interreligious dialogue and the

contexts for Soloveitchik's respective stances on issues that were pressing in his role as a leader of a major branch of post-war Orthodox Judaism. The book provides a synoptic overview of the philosophical works of Joseph B. Soloveitchik. It will be of interest to historians and scholars studying neo-Kantian philosophy, Jewish thought, and philosophy of religion. **The**

Impact of the Holocaust on Jewish Theology Steven T. Katz, 2007-06-01. The theological problems facing those trying to respond to the Holocaust remain monumental. Both Jewish and Christian post-Auschwitz religious thought must grapple with profound questions from how God allowed it to happen to the nature of evil. *The Impact of the Holocaust on Jewish Theology* brings together a distinguished international array of senior scholars, many of whose work is available here in English for the first time, to consider key topics from the meaning of divine providence to questions of redemption to the link between the Holocaust and the creation of the State of Israel. Together they push our thinking further about how our belief in God has changed in the wake of the Holocaust. Contributors: Yosef Achituv, Yehoyada Amir, Ester Farbstein, Gershon Greenberg, Warren Zev Harvey, Tova Ilan, Shmuel Jakobovits, Dan Michman, David Novak, Shalom Ratzabi, Michael Rosenak, Shalom Rosenberg, Eliezer Schweid, and Joseph A. Turner. *Tradition Vs. Traditionalism* Abraham Sagi, 2008. This book is a first attempt to examine the thought of key contemporary Jewish thinkers on the meaning of tradition in the context of two models. The classic model assumes that tradition reflects lack of dynamism and reflectiveness and the present's unqualified submission to the past. This view, however, is an image that the modernist ethos has ascribed to the tradition so as to remove it from modern existence. In the alternative model, a living tradition emerges as open and dynamic, developing through an ongoing dialogue between present and past. The Jewish philosophers discussed in this work: Joseph B. Soloveitchik, Yeshayahu Leibowitz, David Hartman, and Eliezer Goldman, ascribe compelling canonic status to the tradition, and the analysis of their thought discloses the tension between these two models. The book carefully traces the course they have plotted along the various interpretations of tradition through their approach to Scripture and to Halakhah. Contents: Editorial, Foreword, Introduction, Returning to Tradition: Paradox or Challenge, The Tense Encounter with Modernity, Soloveitchik, Jewish Thought Confronts Modernity, Compartmentalization, From Ernst Simon to Yeshayahu Leibowitz, The Harmonic Encounter with Modernity, Religious Commitment in a Secularized World, Eliezer Goldman, David Hartman, Renewing the Covenant Between Old and New Judaism as Interpretation, Scripture in the Thought of Leibowitz and Soloveitchik, Halakhah in the Thought of Leibowitz and Soloveitchik, Eliezer Goldman, Judaism as Interpretation, Epilogue, My Name's my Donor's Name, Notes, Bibliography, About the Author, Index. *Modern Scholarship in the Study of Torah* Shalom Carmy, 1996. The principal thrust of this book is to discover whether and to what extent the methods of modern scholarship can become part and parcel of the study of Torah.

American Post-Judaism Shaul Magid, 2013-04-09. Articulates a new post-ethnic American Jewishness. *Material Culture and Jewish Thought in America* Ken Koltun-Fromm, 2010-04-21. philosophy cultural studies literature psychology film and photography to portray the vibrancy and richness of Jewish practice in America His analyses of Mordecai Kaplan's obsession with journal writing Joseph Soloveitchik's urban religion Abraham Joshua Heschel's fascination with objects in *The Sabbath* and material identity in the works of Anzia Yezierska Cynthia Ozick Bernard Malamud and Philip Roth as well as Jewish images on the covers of *Lilith* magazine and in the Jazz Singer films offer a groundbreaking approach to an understanding of modern Jewish thought and its relation to American culture

The Book of Job in Jewish Life and Thought Jason Kalman, 2021-12-20 Despite its general absence from the Jewish liturgical cycle and its limited place in Jewish practice the Book of Job has permeated Jewish culture over the last 2 000 years Job has not only had to endure the suffering described in the biblical book but the efforts of countless commentators interpreters and creative rewriters whose explanations more often than not challenged the protagonist's righteousness in order to preserve Divine justice Beginning with five critical essays on the specific efforts of ancient medieval and modern Jewish writers to make sense of the biblical book this volume concludes with a detailed survey of the place of Job in the Talmud and Midrashic corpus in medieval biblical commentary in ethical mystical and philosophical tracts as well as in poetry and creative writing in a wide variety of Jewish languages from around the world from the second to sixteenth centuries
