

# ENLIGHTENED EQUITATION

RIDING IN TRUE HARMONY WITH YOUR HORSE

HEATHER MOFFETT

Achieve remarkable results  
with this unique method

Note the very light contact;  
horse's neck lengthened and  
released in self carriage

Soft, happy  
expression of eye

Bit changed to a pelham —  
relaxation of the jaw and  
poll achieved by light  
squeezing action of  
the fingers on the  
reins. Jaw relaxes and  
head lowers of its  
own accord

Joints really flexing, hindlegs stepping through,  
quarters lowered; the mare is working in her natural  
rhythm. Stride springy and expressive. From this  
outline and way of going true impulsion can be created

**Nature in Horsemanship** Mark Rashid,2011-10-01 The popular and highly respected horse trainer Mark Rashid brings together Western and Eastern philosophies to demonstrate a seamless new incarnation of horse training After years of

helping difficult horses Mark Rashid understands how to build the foundation of a horse's training and resolve any problems encountered along the way He explains how he allows the traditionally firm or assertive approach of the old Western style to take some lessons from the softer conflict resolution and ego reduction approach that the Japanese martial art of aikido teaches Rashid's ultimate goal is for harmony between horse and rider      **Finding Harmony with Horses** Kylie Maree Dearden, 2011-10-31 Finding harmony with horses is an inspiring book of Kylie Dearden's own personal and spiritual journey on how she found harmony with her horse and other horses by connecting to the Spirit Within Kylie Dearden is a qualified Equestrian Australia Coach and Instructor In her horse instructing business Finding Harmony with Horses Kylie trains horse and rider through the levels of dressage She has helped many horses and riders develop a deeper connection and relationship In her inspirational book she inspires people to lift consciousness level enabling them to ride their horses with a feeling of joy peace and inspiration [www.findingharmonywithhorses.com.au](http://www.findingharmonywithhorses.com.au)

*Dressage in Harmony* Walter Zettl, 1998-08-01 While teaching lessons and clinics across North America in the late 1990s Walter Zettl was struck by the hunger for knowledge of classical training principles which was challenged by both the vastness of the geographic range and the lack of any organized system for delivering correct information This book was written to meet what he identified then as a need to serve as both a complete treatise and handy reference Clear and easy to understand chapters take you through each training stage discuss problems that commonly occur and provide competent sensible corrections with the good of the horse in mind      *Perfect Harmony with Your Horse: A Comprehensive Guide to Mastering Horsemanship* Pasquale De Marco, 2025-04-26 In the realm of horsemanship a profound connection exists between humans and horses transcending mere companionship This comprehensive guide unveils the secrets of effective communication establishing trust and respect and fostering a shared language with these majestic creatures Embark on a journey to master riding techniques from the basics to advanced maneuvers while cultivating harmony and balance with your equine partner Discover the multifaceted benefits of horsemanship from the therapeutic power of riding to the exhilaration of exploring nature on horseback Uncover the profound impact that horses can have on our lives enriching our spirits and fostering a deeper connection with the natural world Delve into the art of proper horse care ensuring the well being of your equine companion Learn about nutrition grooming and exercise routines tailored to their unique needs Understand equine behavior and psychology to recognize and prevent common ailments keeping your horse healthy and happy Whether you're a seasoned rider seeking to refine your skills or a newcomer eager to embark on this enchanting journey this guide serves as your trusted companion Its wealth of insights practical advice and inspiring stories empower you to forge an unbreakable bond with your horse and unlock the true essence of horsemanship Immerse yourself in the captivating world of horses where beauty grace and profound connection converge The journey of horsemanship extends beyond mastering techniques it embraces a way of life that celebrates the enduring relationship between humans and horses If you like this book write a

review on google books      *Real Riding* Perry Wood,2002-08 This practical guide gives you the necessary know how to unlock your riding potential and acquire the real skills of horsemanship whatever your level of riding or chosen discipline Crammed with exercises simple tricks and things to do that can make a real difference      In Harmony with Your Horse Clare Albinson,2000 In this book you will find a fascinating study into the behaviour and psychology of the horse combined with clear explanations of the basic concepts of balance both of horse and rider You will learn to understand what he is trying to tell you and how to communicate with him and much more      Quiet Riding Don Matschull,2011-08-11 The ideal of good riding is to make whatever horse you ride look better without directing him in ways obvious to the casual observer Quiet Riding was written to help its readers along the journey toward this goal Most of the concepts presented in this volume have been used by knowledgeable horsemen for hundreds of years Often however these concepts have been eclipsed by methods used by less knowledgeable or less caring practitioners It is this author s wish that all riders may one day approach riding with the desire to ride in such a way that their horses do what they ask not because they are afraid not to but because they actually want to      Zen and the Horse Pamela J.G. Au,2003-03-07 This is a very interesting and intelligent little book the author takes a unique approach to teaching centered balanced riding using Eastern philosophy as a context for mastering the art of equitation The author writes with credible authority and conveys ideas and concepts clearly and vividly Most important the book delivers what it promises It does provide specific advice for equestrians hoping to achieve this zen state in their riding As reviewed by Writers Digest 2004 I think this is the first writing that actually describes what I feel when I ride my horses I have never wanted to compete just reach that place of unity which will be an ongoing practice with the horse for the rest of my life No hurry to get somewhere only connect while there Maybe someday you will put this great book into visual movement in a video You have really taken the mechanics out and replaced with emotion awareness with motivation to feel With great respect to our patient teacher the horse Sincerely Chris in OR A must for the serious rider This book stayed on target and was easy to keep up with Most Zen horse books make me want to gag after 5 minutes but this author has both of her feet on the ground and a lot to say Buy it you and your horse will both benefit Chuck Click Here to go the authors website and more on Zen and the Horse      **Harmony With Horses** Leslie Cook,2010-01-01 If horses interest you greatly and you feel a need to help them be comfortable and happy then you have the feelings that are the core of true horsemanship If you wish you could talk to them to sit on their backs and fly over a mountain together and show the horse that as a team you can enjoy the highest levels of success then you are on your way to actually acheiving all of these things Harmony can be achieved when riding a horse in much the same way as playing a song Just as different keys on the piano are played to make one beautiful sound horse and rider need to become identical in every way even though our anatomy and natures are vastly different Harmony With Horses will expand your eyes and grow your love towards the horse You will learn the basics of horsemanship and riding in a very thorough and enjoyable way This book will also help the experienced rider fine tune their

skills     A Better Way of Training and Riding Horses Richard Chamberlin, 2012-05-31 My aim with this book was twofold I wanted a book that could be kept with your tack as a handy reference and to give easy understandable information that all can make good use of This book is about having the chance to try a better way to understand riding and training It covers most things people need to train themselves and their horses It goes through some simple to understand ideas so everyone can try More advanced understanding can come through my other books or your own studies I consider horses are the same when born everywhere in the world If a horse has a problem man put it there therefore studying how past masters evolved horsemanship is important They have tried it all before and then handed their understanding to us There seems to be a lot of new techniques and ways to train horses like Horse Whispering Equine body language Parelli and others All this work has been carried out before and if people thought about it most of it people already do It is good to understand all aspects of horsemanship from equestrian science to Classical Dressage but it is important to not lose sight of the art and passion for training horses I consider horse owners to be intelligent people who know when something is right but due to the confusion of so many methods sometimes lose sight of where they re going This book gives all the tools needed to produce a horse that is enjoyable to ride whether your chosen discipline is dressage show jumping eventing or just hacking You don t need gadgets just thought and common sense People who don t ride will find this interesting and informative helping them to understand those who do Good riding is not something that can only be carried by a few but can be achieved by all This book is a needed guide to help people start to understand and remind those that do about the true art of riding and training
