## **Enlightenment Is A Secret Teachings Of Liberation:**

**Enlightenment is a Secret** Andrew Cohen,1991      **Be the Mystery** ,2021-02-19 Enlightenment is a mystery but becoming enlightened is not a mystery There is a very clear and precise process for waking up and becoming fully enlightened When you become aware of the secret teachings that reveal this process and commit yourself to them awakening unfolds organically like the petals of a flower that open in the light of the sun Be the Mystery is your guide to becoming fully enlightened Advanced instruction is an entirely different body of knowledge from earlier practice The advanced teachings are traditionally only shared privately with the most senior students because you have to have advanced awareness to understand them For the first time the secret teachings for the entire journey to full enlightenment are being disclosed to anyone who wants them Receive these words as sacred treasures The current of freedom contained within these pages has the power to wake you up and carry you Home      Take Me To Truth: Undoing The Ego Nouk Sanchez,2010-05-11 Take Me to Truth is the first book to boldly address the fundamental problem that all spiritual seekers face on the journey to awakening the ego Take Me to Truth is a powerful six stage navigational guide that takes us through the six remarkable stages of undoing ego Each of these stages becomes an experience of deepening trust eventually removing all existing blocks to the awareness of the Infinite Love that we are and have It bridges the yawning gap that exists between seeking enlightenment and finding it      *Paradise and Promises* Marlowe Sand,2015-12-11 Marlowe Sand recollects 15 years of relentless pursuit of liberation as a student of guru Andrew Cohen For a woman from the remote English countryside destined to be a wife mother and ordinary professional the meeting with a modern day radical Buddha bore extreme consequences for her and her children She develops her story in intriguingly deft strokes capturing the interior experiences of a person being drawn ever deeper into the cult setting of a charismatic and despotic guru She invites the reader to share her experiences of love and liberation pain and agony and excruciating disillusionment Marlowe Sand doesn't blame instead she paints a picture of a complex dangerous phenomena While she is unambiguous about the destructive nature of this communal setting and each participants responsibility for its co creation Marlowe's reckoning is with herself *Paradise and Promises* is a spiritual memoir by coincidence but more importantly it is an audacious self reflection on choices consequences and reconciliation Almost anyone will find this stark coming of age narrative compelling      *The Extremely Secret Dakini of Naropa* Dechen Nyingpo Pabongkha,2020-06-09 A thorough and sparkling translation of an essential commentary on one of the most profound practices of Tibetan Buddhism The Extremely Secret Dakini of Naropa has become the basis for almost every subsequent Vajrayogini commentary in the Gelug tradition Kyabje Pabongkha's commentary is both very thorough in its presentation and deeply inspiring providing rich detail on essential elements of Vajrayogini practice all eleven yogas of the generation stage the transference of consciousness tsok offering left sided conduct and many other auxiliary practices There is also a stunning explanation of the completion stage that provides many extraordinarily profound methods unique to

the practice of Vajrayogini The second half of the book contains several sadhanas for the practice of Vajrayogini including six session guru yoga as well as two sadhanas on the transference of consciousness This is a teaching that practitioners can use to transform themselves into a buddha like the artists who shape beautiful images out of raw materials Gelek Rimpoche
