The Quality Improvement Handbook, 2/e (with CD) (HB) Bauer, *Toward Quality Assurance and Excellence in Higher Education* Al Jaber, Ahmed Odeh, 2018-08-15

Quality Assurance is not a new concept in the education sector in general and higher education in particular though it is becoming increasingly more relevant and important Higher education helps to improve an individual's quality of life by enabling them to inflate their knowledge and expertise to grasp abstract concepts and theories and to raise their awareness of the world and their community and as such the assurance of quality is becoming more pivotal in the whole education process There is no simple definition of the concept of quality in education though numerous models and theories have been devised *Toward Quality Assurance and Excellence of Higher Education* is a new episode of the Quality Assurance perception in higher education which identifies the quality culture and orientation from the beginning integrating crucial factors to build a pyramid of higher education excellence The book compares concepts from the main theories of Quality Assurance management and control when they are applied to educational systems in higher education The book also presents a new model of excellence in higher education Excellence is an architecture of building blocks that includes process performance effectiveness harmony and collaboration and these blocks should be incorporated in a quality oriented concept for sustainable excellence of higher education The model integrates four main facets the Educational System Quality Assurance Managing and Control Strategic Planning and Globalization Also presented are international best practices in quality assurance in higher education from Japan and Finland

Guidelines for External Reviews of Quality Assurance Agencies in the European Higher Education Area. ENQA Occasional Papers 19

European Association for Quality Assurance in Higher Education (ENQA), 2012 In accordance with the ENQA European Association for Quality Assurance in Higher Education membership criteria laid down in the Statutes of ENQA member agencies are required to undergo external reviews against the membership criteria and thereby the Standards and Guidelines for Quality Assurance in the European Higher Education Area ESG as adopted by the European Ministers in charge of higher education in Bergen in 2005 at least once every five years These present Guidelines apply to ENQA coordinated reviews to be conducted periodically for a first application for Full Associate membership of ENQA and for inclusion in the European Quality Assurance Register for Higher Education EQAR According to the Statutes of ENQA applications for Full Associate Membership are considered only if accompanied by an independent external review report on the agency's conformity with the membership criteria The membership criteria of ENQA consist of Part III of the ESG and some additional requirements and guidelines However due to the specific structure of ESG agency reviews are not assessing Part III of the ESG only Indeed according to the first standard of Part III agencies are required to demonstrate compliance with ESG Part II Likewise the first standard of Part II requires agencies to demonstrate that they take into account the

effectiveness of internal quality assurance mechanisms Part I The review against the membership criteria can also include other aspects of the agency's work or organisation see section 2 In any case the same principles and processes outlined in these Guidelines are applied It is recommended that the second and subsequent rounds of reviews aim at striving for improvement In addition to judging the compliance with the ENQA membership criteria ESG the reviews should follow an enhancement led approach Agencies are invited to reflect on how they could further improve their compliance with all membership criteria ESG and to identify areas for development in their self evaluation report It is also possible to accommodate a more thorough consideration of some of the criteria if the agency wishes The specific areas of development will be considered in the next external review of the agency Appended are 1 Introductory section and structure of the final review report 2 Financial Guidelines for ENQA coordinated reviews 3 Statutes of ENQA 4 Standards and Guidelines for Quality Assurance in the European Higher Education Area Parts I II and III 5 Scrutiny for reconfirmation of or application for Full Associate Membership and 6 Mapping grid for panel members A glossary is included Contains 2 footnotes
