Are We Doomed? Enough Is Enough Pearl Polto, 2012-08-01 The United States of America has been in trouble for a long time but before we can correct the problems we need to know what they are The time has come for the people to know the truth about what is happening in our cities our states and our country Our government has placed an unnecessary burden upon the people of the United States by making mistakes and failing to learn from them Now we must pay the price We live in a FREE LAND but we take it for granted allowing others to work and fight for us Instead of

valuing the treasure that is freedom of speech we contentedly stay silent The only way to bring about the necessary change is to stand up for what we believe in and let our leaders know that we will not sit idly by while they destroy this great country It is time we all say Enough is enough **How Much Is Too Much? [previously Published as How Much Is Enough?]**

Jean Illsley Clarke, Connie Dawson, David Bredehoft, 2014-01-07 Revised edition of How much is enough published in 2004 by Marlowe Company Jesus is Enough! Dr. Carlton C. McLeod, 2013-12 A devotional journey through the Scriptures designed to restore true joy through the Person and Work of Christ and His Gospel and encourage Christians to seek the Master rather than what's on the Master's table What follows is our journey one that took our church a year and a half This book is composed of sermons and leadership lessons we preached as the Lord shaped us and molded us into a mature body of believers The lessons will give you an opportunity to apply them to your life as well Jesus is Enough to have joy Jesus is Enough to walk in peace and contentment Jesus is Enough to experience breakthrough because He is the breakthrough Jesus is Enough to adjust our perspective freeing us daily from the temporary temporal confines of this earth to live with eternal and unchanging realities **How Much Is Enough?** Arthur Simon, 2003-02-01 In a world filled with both prosperity and poverty how can Christians handle their finances in a way that honors God In How Much Is Enough Arthur Simon takes an uncompromising look at America's wealth reflecting what dominates the hearts and motivations of its people He diagnoses Western civilization as sick with affluenza or runaway materialism and shows readers how to reject the disease and set new priorities Churches social ministry groups and thoughtful readers will be enlightened by Simon's grasp of Western affluence against the backdrop of a world where 800 million people are chronically starving Readers will gain a clearer understanding of how money becomes an object of worship when passion for material things is stronger than compassion for the poor Simon's life changing book also reveals how affluenza takes control of people's lives and goals Without discounting prosperity as a blessing How Much Is Enough proposes new pathways to living as disciples of Jesus It suggests a myriad of solutions for taming materialism and sheds light on the profound reality that possessions may capture our hearts but they are unable to nourish our souls **California.
