Technical Manual United States. War Department,1946 **Ike and McCarthy** David A. Nichols,2017-03-21 The full little known story of how President Dwight Eisenhower masterminded the downfall of the anti Communist demagogue Senator Joseph McCarthy is a gripping detailed account of how the executive branch subtly but decisively defeated one of America s most dangerous demagogues The Washington Post They shook hands for the cameras but Dwight Eisenhower privately abhorred Senator Joseph McCarthy the powerful Republican senator notorious for his anti Communist campaign In spite of a public perception that Eisenhower was unwilling to challenge McCarthy Ike believed that directly confronting the senator would diminish the presidency Therefore the president operated more discreetly and effectively with a hidden hand In a thorough well written and surprising picture of a man who was much more than a do nothing president Kirkus Reviews starred review David A Nichols shows how the tension between the two men escalated In a direct challenge to Eisenhower McCarthy alleged that the US Army was harboring communists and launched an investigation But the senator had unwittingly signed his own political death warrant The White House employed surrogates to conduct a clandestine campaign against McCarthy and was not above using information about the private lives of McCarthy s aides as ammunition By January 1954 McCarthy was arguably the most powerful member of the Senate Yet at the end of that year he had been censured by his colleagues for unbecoming conduct Eisenhower s covert operation had discredited the senator months earlier exploiting the controversy that resulted from the televised Army McCarthy hearings McCarthy would never recover his lost prestige In Ike and McCarthy Nichols uses documents previously unavailable or overlooked to authenticate the extraordinary story of Eisenhower s anti McCarthy campaign The result is a well researched and sturdily written account of what may be the most important such conflict in modern history Americans have as much to learn today from Eisenhower as his many liberal critics did in 1954 The Atlantic Monthly Information Circular ,1925 , **This Time I Mean it** Pasquale De Marco,2025-05-13 Pasquale De Marco takes a comprehensive look at the Clash s career from their early days as a punk band to their rise to global stardom Pasquale De Marco examines their music their lyrics and their impact on popular culture Pasquale De Marco also talks to the people who knew them best including their friends family and fellow musicians This Time I Mean it is the ultimate resource for Clash fans and it is also an essential read for anyone who wants to understand the history of punk rock About the Clash The Clash were one of the most important and influential bands in rock history Their music was a soundtrack to the disaffected youth of the late 1970s and early 1980s and their message of unity and solidarity resonated with people all over the world The Clash s music was a unique blend of punk reggae dub funk and rockabilly Their lyrics were equally diverse tackling issues such as unemployment racism and war The Clash were more than just a protest band Their music was also full of hope and optimism and their message of unity and solidarity resonated with people all over the world The Clash s Impact The Clash s impact on popular culture is immeasurable Their music continues to be played and

enjoyed by millions of people around the world and their influence can be seen in countless other bands and artists The Clash are truly one of the most important and influential bands in rock history This Time I Mean it is the definitive guide to their career and their impact on popular culture Review This is the best book on the Clash that I have ever read Pasquale De Marco does a great job of capturing the band's energy and passion and Pasquale De Marco provides a lot of new insights into their music and their lyrics This book is a must read for any fan of the Clash Pasquale De Marco has done a fantastic job of telling the band's story and Pasquale De Marco provides a lot of great insights into their music and their impact on popular culture If you like this book write a review on google books
