Ferguson,2024-03-31 In a tour de force study of sixty years of cinematic entertainment Silver Screens and Golden Dreams traces the veins of Burmese popular movies across three periods in history the colonial era the parliamentary democracy period and the Ne Win Socialist years Author Jane M Ferguson engages cinema as an interrogator of mainstream cultural values providing political and cultural context to situate the films as artistic endeavors and capitalist products Exploring how filmmakers eschewed colonial control and later selectively toed the ideological lines of the Burmese Way to Socialism Silver Screens and Golden Dreams offers a serious yet enjoyable investigation of leisure during difficult times of transition and political upheaval By skillfully blending historical and anthropological approaches Ferguson shows how Burmese cinema presents a lively unique take on the country s social history The world tends to see Myanmar Burma as an ancient idyllic land of emerald green rice paddies dotted with golden pagodas yet sadly tarnished by a contemporary reality of grinding poverty a decades long civil war and the most enduring military dictatorship in modern history Burmese society is frequently stereotyped as isolated hidebound to Buddhist cultural foundations or embroiled in military rule and civil strife Its thriving cosmopolitan film industry not only questions such orientalist archetypes but also provides an incisive lens to explore social history through everyday popular practices Emerging from a vibrant literary and performing arts scene Burmese talent and ingenuity spurred a century of near continuous motion picture production Dozens of local film companies have churned out thousands of films bringing to life popular folk tales tear jerking dramas and epic adventures for millions of adoring fans Even during the purportedly isolated
