Fleck, 2022-10-10 How can medieval art explain Jerusalem's centrality in the world faiths of Christianity and Islam This book delves into that topic by examining how Jerusalem was creatively represented and reimagined in several intriguing Christian and Islamic artworks in the later Middle Ages c 1187 to 1356 The book considers how European Catholic crusaders Eastern Christian sects and diverse Muslim factions displayed Jerusalem's architecture to express their interpretation of the holy city's sanctity and influence These examples demonstrate how artworks can reflect Jerusalem's importance to these faiths in the past and illuminate our understanding of its status into the modern era

The Meaning of Icons Léonide Ouspensky, Vladimir Lossky, 1982 The nature of the icon cannot be grasped by means of pure art criticism nor by the adoption of a sentimental point of view Its forms are based on the wisdom contained in the theological and liturgical writings of the Eastern Orthodox Church and are intimately bound up with the experience of the contemplative life The present work is the first of its kind to give a reliable introduction to the spiritual background of this art The introduction into

the meaning and language of the icons by Ouspensky imparts to us in an admirable way the spiritual conceptions of the Eastern Orthodox Church which are often so foreign to us but without the knowledge of which we cannot possibly understand the world of the icon Back cover

Sermons preached in Cheltenham college chapel George Butler,1862 *Second Thoughts About the Second Coming* Joe Reeves,2011-10-21 In the book *Second Thoughts About The Second Coming* teacher author and systems engineer Joe Reeves deals with many aspects of the idea of Jesus second coming that are seldom considered by modern Christians but he does so from the standpoint of asking several critical questions The basic questions he asks and answers in this book are can a book of scripture at some later date come to mean what it never meant Can a scriptural text at a later date come to mean what the author obviously did not intend it to mean to those of his original envisioned recipients to whom he wrote and a meaning that the first recipients simply would not have understood Then based on those answers he asks and answers several questions about Jesus resurrection His resurrected nature and His ascension Then based on the biblical answers to those questions asks and answers the question about whether or not Jesus and the biblical writers predicted a second coming Using those questions and the question of specifically what would those first century Christians have understood about what modern interpreters call Jesus second coming as the basis for study Joe uses his training and experience in systems thinking Bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common doctrines about Jesus second coming are based For the person who wishes to learn more about how the first Christians would have used and understood the writings they received about Jesus and His life after His resurrection this book is a must read

The Life and Times of Jesus the Messiah: From the manger in Bethlehem to the baptism in Jordan Alfred Edersheim,1904 *In Search of a Context* Thomas R. Hatina,2002-10-01 In this book the author explores how contexts determine the meaning of embedded scripture texts in the Gospel of Mark Many historical critics base their readings on a context that is external to Mark's story world be it a reconstructed socio religious setting of the evangelist a Jewish exegetical tradition or some earlier stage in the development of the gospel What is common to these readings is the neglect for the context of the story world the very context in which scripture quotations and allusions are embedded The author

proposes a method of reading these embedded texts that is sensitive to the story world though not at the expense of the historical setting in which the gospel was written Jesus announcement in 1 15 concerning the kingdom of God serves as the point of entrance into Mark s story world *The ABC of Sunday Matters* Mark O'Brien,2013-10-01 This book provides reflections on the Sunday Bible readings in the Roman Catholic Lectionary for Years A B and C of the liturgical cycle They previously appeared in separate volumes of Sunday Matters published by ATF Theology in the Dominican Series They have now been combined in this single volume colour coded for easier use and with a revised general introduction and introduction to the Gospel of Matthew Like the previous volumes this one is intended to assist those preparing homilies and those with a desire to understand a little more deeply the readings used in the Sunday liturgy **The Life and Times of Jesus the Messiah** Alfred Edersheim,1894 **Jesus Becoming Jesus** Thomas Weinandy,2018-04-06 Jesus Becoming Jesus presents a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within the Synoptic Gospels He does thi *Rex Gloriae* Per Beskow,2014-03-19 *Rex Gloriae* is an account of the way in which the New Testament representation of Christ in royal categories lived on during the pre Constantinian period how it became enriched by its confrontation with Hellenistic culture and how this development in the course of the doctrinal disputes of the fourth century gave rise to the conception of Christ as King that dominated the theology of the Byzantine period and the Middle Ages in the West
