One Sunny Afternoon Rowan Jette Knox,2023-09-12 From the bestselling author of Love Lives Here a deeply personal memoir about facing life long trauma head on and bravely healing the scars that endure For writer and human rights advocate Rowan Jett Knox the inspiring story of his family s journey of love and acceptance when both his child and partner came out as transgender one after the other was the hopeful beginning to their new lives Their tale shared in Rowan s memoir Love Lives Here and embraced by readers everywhere quickly found its way to the top of bestseller lists Yet in the spring of 2020 Rowan began to experience targeted attacks on social media and he soon became the subject of a small but very vocal group that criticized his book s success and his advocacy work The intensity of the backlash grew and drove Rowan to contemplate suicide But instead of taking his life on one sunny afternoon he went to the hospital to seek help One Sunny Afternoon is a searing testament to Rowan Jett Knox s extraordinary reckoning of his past and present to find hope in his future Triggered by the online harassment he wades through his personal history and details the incidents of violence addiction and sexual assault that have haunted him When Rowan eventually receives a complex trauma disorder diagnosis and dedicates himself to recovery he emerges with newfound strength resiliency and confidence One Sunny Afternoon is a profoundly moving and candid account of how trauma can shape us rather than define us and reveals how even in our darkest moments and on our most hopeless days light can find its way in

A Cry For Justice II Daniel

Cummings,2022-08-26 What would you do if upon arriving home from a hard day s work you found out that your wife had been brutally raped by someone you knew What would you do He put a gun to my head and dragged me into a dark room He pushed me down on the bed and said If you make a sound I will kill you He then pulled down my pants and raped me Rape is a horrible crime It is a crime that often leaves the victim psychologically scarred for life Daniel Cummings is the husband of a rape survivor The heinous crime of rape has been perpetrated upon his man s wife and the culprit is identified by the victim When the criminal s identity is made known to the agents of law enforcement it is reasonably expected that justice will be served When the culprit has been positively identified as the rapist and those agencies empowered with the authority to arrest the culprit and thereby mete out justice consciously refuse to perform the duties they have been sworn to uphold citing their own lack of confidence in the process of the justice system as the reason they will not perform their sworn duty they have by their own inaction aligned themselves with the rapist and closed the doors to even a semblance of justice What would you do What would you do if you discovered that a knife and gun were used to force your wife into submission What would you do What would you do if after doing everything that the law dictated a law abiding citizen should do all the right things that a traumatized man and wife could possibly endure by reporting the rape you get slapped in the face with endless contrived humiliation What would you do Daniel Cummings hasn t been able to sleep All he can think about is the knife put to his wife s throat the gun put to her head and the bloodstains on her pants from vaginal hemorrhaging He knows he has to do something
