I Was Never Alone:

Alone, but Never Alone Linda M.,2011-11-21 At the age of 33 Linda M found herself recently divorced from her husband of eight years and terribly terribly alone She realized that if she were to die no one would know the wonderful ways in which God had revealed himself to her in her life These are those stories **The Guardian** ,1845 Crowtower David Rae,2021-06-11 All things must die If death will come regardless then we do not need to fear it or to run from it We can live instead The priests of Vatu are locked in an endless cycle of life death and rebirth Their constant reincarnations are defined by service to the dark spirit hatred for each other and ruling the world of eternal night in which they live broken only by a single day each year when Vatu releases the Sun They have suffered and enjoyed this existence for millennia for an eternity until now In the Tower of the Sun at the centre of the world the reborn Utas returns to fulfill his destiny to become High Priest He has scarcely completed his education however when a shocking secret of his resurrection emerges Now questioning everything he knows he takes a path never before followed in his long existence Yet darkness and pain still shadow everything he does and all his attempts at freedom seem only to lead back to Vatu Can Utas ever escape hatred and death or will darkness forever rule his heart as it does the shadowed land **War Within** Michael R. Bane,2021-06-24 War Within the series is a collection of poems thoughts and reflections from the heart mind and spirit of Michael Bane It s basis is the battle that s within me and many others I hope it helps someone who may read it as much as it helped me writing it

The Longing in Me Sheila Walsh, 2016-04-05 Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you'd never repeat the same mistakes, yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is your longings are built from the blueprint of your needs for protection, for love, for God. And those needs aren't going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila's and David's stories make clear, some cravings are misguided, but they all stem from the same hunger, and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, *The Longing in Me* will help you understand that your cravings are not the problem. It's where they lead you that makes all the difference.
