Ibsen ,1965 *Ibsen* Michael Levenson Meyer,1974 **Henrik Ibsen** Robert Ferguson,1996 This is a biography of the Norwegian playwright Henrik Ibsen It provides insight into Ibsen s personal life his work and the world in which he lived

Ibsen: A Portrait of the Artist Hans Heiberg,2019-08-15 The least pretentious and in its impact the most popular of Henrik Ibsen biographies according to the National Library of Norway Hans Heiberg writes in the preface I have always wanted to read a biography of Henrik Ibsen as a human being a portrait of the man before he became a mask and Let it be said emphatically that this book is not intended for academics It is meant for the enjoyment of people who are interested in Ibsen himself Measured in circulation it seems that Heiberg achieved his goal the book was published in three editions in Norwegian and was translated into Swedish Danish English Russian and French into more languages than any other Ibsen biography Brief and thoroughly readable this biography is frankly offered for the enjoyment of people who are interested in Ibsen himself Nonetheless all the basic areas are covered Rolf Fjelde The New York Times In spite of the biography s economy all the essentials are there Ibsen s quirks of temperament the violent contrasts in his nature the combination of troll and moralist of ancient prophet and shrewd businessman do not surprise Mr Heiberg perhaps because he is himself Norwegian Eva Le Gallienne Saturday Review Heiberg s portrait of Ibsen is crystal clear the style simple while every sentence is meaningful Heiberg is an outstanding storyteller in the descriptions of Ibsen s family and environment his childhood and youth in adversity development and achievement Farmand Hans Heiberg s portrait has a fresh and personal angle it is wisely crafted in the details honest and straightforward the individual Ibsen stands at its core with his personal fallibilities and ridiculous characteristics and precisely therefore also in all his greatness Drammens Tidende and Buskerud s Magazine In *Ibsen A Portrait of the Artist* Heiberg has intended to draw a portrait of the man behind the artwork What was he like And how did he become the way he was One can call *Ibsen A Portrait of the Artist* a novel a relation of Andr Maurois well known biographies of famous men and women but Heiberg never invents things which may or may not have happened He sticks to what he knows or what he is fully justified in believing Arbeiderbladet **Henrik Ibsen** Edmund Gosse,1907

Ibsen Michael Meyer,1992-01 A biography of Henrik Ibsen who is credited with being one of the first to write about ordinary people in prose abandoning traditional theatrical effects in favour of a new style of performance The author is an authority on Ibsen and has translated many of Ibsen s plays **Henrik Ibsen, 1828-1888** Henrik Bernhard Jæger,1972
