Deadly Benefits Kurt Ellis,2024-08-01 Gabriel Laucus has lost his job and his parent s home is about to be repossessed Desperate and on the brink of financial ruin he devises a risky insurance scam to salvage his crumbling life This sets in motion a catastrophic chain of events Soon Gabriel and his friends have a psychopathic hitman a ruthless drug lord and a relentless investigator on their tail As Gabriel navigates a world of fraud and dangerous alliances he must outwit his pursuers and confront the harrowing repercussions of his choices Deadly Benefits is a heart pounding journey through the high stakes game of survival The price of one wrong move could mean life or death **The Independent** Leonard Bacon,Joseph Parrish Thompson,Richard Salter Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1921 So You're Going to Italy! Clara Elizabeth Laughlin,1928 **"F"-It-Less** Shaun Rawls,2021-05-04 What does it take to say F it and really mean it To walk away from the circumstances that have you stuck in neutral or worse headed in the wrong direction To reroute your life along a smoother path toward success To live an F It Less life Have you ever just thrown your hands in the air and said F It Been tempted to give in to someone or something you ve been resisting Or worse found yourself backed into changes circumstances or even a life you didn t ask for If so you are not alone But thankfully there is now a powerful way to never have to say F It again It begins with reframing the f word and ultimately leads to reframing your life It s a method designed to help you choose the life you want to live rather than blindly accepting the one you ve got Shaun Rawls popular motivational speaker and founder of Atlanta s 1 real estate firm devised this method during one of the most trying yet triumphant periods of his life In F It Less he offers a whole new lexicon of F words more powerful than the one we all already know By employing each thoughtfully and practically in your life you can begin to craft the existence you ve always dreamed of During his own transformation words such as fragmented frustrated fractured and failed helped him

identify where he was in the moment and to earnestly assess where he'd gone wrong in the past. In time he enjoyed days that were fine or even fantastic. Prioritizing words such as float, family, faith, fun, and freedom reminded him of his destination, while words such as find, forgive, forget, fix, and foxhole helped him to get there faster. What he discovered is that these F words can draw us back into alignment with our purpose and goals, enabling us to live a more intentional and rewarding life, the life of our dreams. In this infinitely empowering book, Rawls shares both his story and his method with you, boldly encouraging you to use these words to examine your own life too, to see if it is one you consciously crafted or one you simply allowed to unfold. To decide whether you're living how you really want to live or if there is still much more work to be done. He challenges you to truly listen to your heart and gut and to honestly acknowledge the areas of our life where you've compromised love and happiness for money, safety, security, or worse, fear. He coaxes you not to let our best life pass you by, but rather to proactively attain the life you really want. By sharing some of his greatest lessons, Rawls aims to help you avoid some of the same obstacles he's encountered and to live what he refers to as an F it less life, the life we're all entitled to discover, explore, and fulfill for ourselves. Saying F, it doesn't always have to mean you are giving in or giving up. With the right tools, it can actually mean you are ready to pursue a better life, one of greater ease, meaning, and purpose. A truly F it less life.

Doctors and Patients J. Bergsma, 2012-12-06 Patients have personal strategies in solving the problems concerning their illness. Doctors have personal and professional strategies in solving the problems with their patients. This book explores the problematic triangle between doctors, patients, and the illness, using illustrations from internal medicine, nephrology, cardiology, oncology, and neurology. Enhancement of the doctor-patient interaction is an important contribution to the mutual reduction of stress and therefore the improvement of the course of long-term illness. The first part of the book describes reasons why the partnership between doctor and patient should be improved. The second part offers concrete and practical options to achieve that improvement.

Country Gentleman, 1925 **Century Illustrated Monthly Magazine ...**, 1894 **The Less-Stress Lifestyle** Carl Vernon, 2017-01-26 If you are tired of feeling stressed, working too many hours, or just feeling miserable, Carl Vernon's *The Less Stress Lifestyle* will help you manage it all. As a follow-up to his best-selling book *Anxiety Rebalance*, Carl shares the tools and techniques he used to go from being highly anxious and stressed to enjoying a lifestyle of freedom and choice. Carl's advice is that we cannot remove stress from life; it helps us get things done, but when stress starts to take over, it's time to take back control. For example, Carl suggests you should throw away the concept of a work-life balance. Why? Because they are the same thing. Instead, he shows you how to use stress to your advantage and gives you the tools to move stress out of your way using his Stress Wall technique. Make money work for you instead of you working for money. Instantly improve your mood and stay positive with The Happiness Trick. Get back time and energy by distinguishing bad stress from good. Effectively organize and manage your life to create more time for the things you enjoy. *The Less Stress Lifestyle* is an invaluable guide for the many thousands of people affected by stress and its related disorders and will help you to rediscover
