Slap Dab R. W. Taylor, 2012-07-17 Slap dab. What is it? Well, it can be anything you want it to be. It can be something you've found, something you've lost, something funny, something strange, and something messy and muddy, especially if left out in the rain. Get ready to play in the slap dab and meet such characters as Cock a Doodle Dog, Boe Boe, and Hissy with the story of the rattle snake who had lost his rattle. Lenny the Lying Lion, a Yorkshire Alligator in New York, Nit Wit, and Flea Bag. Maw Maw, the lazy magpie, Boney the dinosaur with a weak bladder, White Rabbit, White Rabbit, White Rabbit, and the Crisscross Kiss Monsters, as well as a rhyme here and there. Of course, you may meet anyone of them when you walk down the street today, but just in case you don't, why not read on and meet some new friends who may surprise you. *I'd Rather Be*

Swimming! Peter Leonard, Joan Leonard, 2015-01-07 You'd be hard pressed to find anyone more passionate about swimming than Joan and Peter Leonard, who've spent most of their lives teaching others how to swim, especially children. This activity-filled guide includes original pictures of Leo the Sea Lion and his friends that can be colored as skills are mastered. Other activities and resources include seven essential swimming skills and emphasis on safety, fun, and fitness; how-to descriptions of all strokes; numerous skills and many water games; rhymes accompanying pictures; progress sheets to track accomplishments; diary to record swimming thoughts and memories; access to online video. With the right attitude and practice, anyone can move forward and say with confidence, joy, and love of the water, *I'd Rather Be*. Ya Hitta Porschea Jade, 2017-04-13 Empriss, what if you had to tell someone the most important thing in the world, but you know they'd never believe you? Hamin, I'd try. They say don't take those in your life for granted, because in the blink of an eye, your life could change. And Empriss was experiencing this first-hand. One of the happiest days of her life soon turned out to be the worst when her fiancé was murdered in cold blood, and she was charged with his murder. Having to escape prison with the help of his father, she made a vow to never love again until she found the people responsible for his untimely death. Turning into one of the most ruthless and feared queen pins the game has ever seen, she kept that vow until she crossed paths with Ha. The charming d-boy from the South Hamin is a Memphis beast with a purpose, a jack of all trades when it came to the streets. Being in the game since his early teens, all he wants to do is stack his chips and get out, and the best way to do it is to

move more weight When the opportunity of a lifetime falls in his lap he embraces it full force and is determined to get in finesse his new connect and get out but Empriss is more than he can handle and he soon finds out that there is more to her than meets the eyes Empriss has more skeletons in her closet than a bone yard and when they slowly start to peek their ugly heads she finds out that everything done in the dark soon comes to the light When drama starts to hit the fan will Empriss be able to keep it altogether or will the queen of all queens fold under pressure When shooters come for the woman Hamin is falling hard for will he be willing to ride out for Empriss at all costs or will he walk away for good I'd Rather Be Sorry Dottie Lou Bolme,2010-06-30 Many changes occur as Dottie after six years single tries to adjust to sharing a life with an over achieving not so faithful spouse Except for a Minneapolis 8 track recording endeavor and a weekly guest shot on a local TV show Arrowhead Country it seems Dottie s career is in a slump placed on a back burner The new marriage pressures many new demands flooding the scenario Precious time is diverted to family taking the spotlight away from music Teen age undisciplined upheavals arise as do snowmobiling excursions camping trysts race track diversions putting stress on limited time slots A Paris France adventure with a brief appearance in a French Band revitalized Dottie s passion for her career and she returns with renewed passion for life but less for marriage Priorly in her adamant testimony of her moralizing self righteous virtues Dottie is now forced to EAT CROW as she joins the coterie of the Angels Flying too Close to the Ground at the Gopher Peyton Place The Result An intriguing blurr on a downhill glide in a new direction to infidelity Fervent impetuous Passion and Euphoric Ecstasy **A Chain of Events** Joan L. Piper,2001-06-30 On April 14 1994 on a clear morning over northern Iraq s no fly zone two U S Air Force F 15 jets encountered two U S Army Black Hawk helicopters on a routine mission Within ten minutes the F 15s misidentified the helicopters and shot them down with fire and forget missiles For three years aircraft had patrolled these skies with a near perfect safety record Although the Black Hawk s downing was one of the worst air to air friendly fire incidents involving U S aircraft in military history the Air Force would officially conclude the pilots had made a reasonable mistake One victim was ebullient twenty five old intelligence officer Laura Piper in love with life and with being an Air Force lieutenant Movingly written by her mother A Chain of Events is the story of Laura s final flight and the Air Force s mishandling of the subsequent investigation It is a story of duty patriotism a mother s devotion to a daughter s memory and her family s disappointment in a beloved institution **No Place I'd Rather Be** Cathy Lamb,2017-08-29 Food family and secrets combine in Cathy Lamb s emotional and deeply honest novel as one woman discovers the recipes and life lessons that have shaped her family s past and could guide her toward a second chance at happiness Two years ago Olivia Martindale left behind her Montana hometown and her husband Jace certain it was the best decision for both of them Back temporarily to protect her almost adopted daughters from their biological mother she discovers an old handwritten cookbook in the attic Its pages are stained and torn their edges scorched by flame Some have been smeared by water or tears The recipes are written in different hands and in different languages In between the pages

are intriguing mementos including a feather a pressed rose a charm and unfamiliar photographs Hoping the recipes will offer a window into her grandmother s closely guarded past Olivia decides to make each dish along with their favorite family cake recipes and records her attempts The result like much of her life to date involves a parade of near disasters and chaotic appearances by her doctor mother her blunt grandma her short tempered sister and Olivia s two hilarious daughters The project is messy real and an unintended hit with viewers Even more surprising is the family history Olivia is uncovering and her own reemerging ties to Montana and to Jace Generations of women have shared these recipes offering strength and nourishment to each other and their loved ones Now it s Olivia s turn to find healing and determine where her home and her heart truly belong
