The Marx Brothers and America Robert E. Weir,2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute s list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor **I'd Rather Be in Philadelphia** Celia Jerome,Gillian
