

What is Enlightened Despotism?

Enlightened despotism (or enlightened absolutism) is when an absolute monarch is influenced by the Enlightenment and uses its principles to govern their people.

Many were patrons of the arts and sciences, allowed freedom of speech and religion, created public primary education, and freed peasants from serfdom. Since they were influenced by the Enlightenment, many were influenced by the writers and philosophers of the time and their ideals, such as Voltaire and Montesquieu.
