Enrique's day - from dawn to dusk in a Peruvian city Sara Andrea Fajardo, 2002 Hoe ziet de dag van een leeftijdsgenoot in Peru eruit In dit fotoboek maken we kennis met Enrique een jongen uit Ayacucho een stad midden in de Andesgebergte in Peru We volgen Enrique de hele dag bij zijn ontbijt in de motor taxi naar school tijdens de wiskundeles op de markt in de processie voor de patroonheilige van zijn school tot aan het slapengaan Met Nederlandse vertaling **Lima Peru: Edited by Mario Testino** Mario Testino, 2007 Even as Mario Testino has become a royal image maker in England and in Hollywood where his portraits define the new glamour for a generation of stars models and celebrities he has cherished visions of the elegance and endless beaches of Lima the city where he grew up He has always confessed his love I'm very proud of being Peruvian I would not want to be from anywhere else I've lived in Europe for 30 years but the moment I see our flag I get soppy And he confesses it again here though not in a traditional book of his own photography For in Lima Peru Testino makes his first foray into the role of photo editor celebrating the title city through the eyes of its artists photographers artisans and photojournalists Of this project's genesis Testino says I wanted to capture Lima's positive chaos I wanted to find a book which conveyed this the way Lima's artists and photographers have captured their city's color and complexity its art its people and its buildings its street life and its interiors But no such book existed and so I decided to edit one myself In Lima

Peru Testino sets sweeping views of the city's architecture opposite details of its ceramic tiles. He collects observations of the city's natural exhibitionists as well as those who would normally shy away from the camera. He showcases art parades, religion, sex, football, market life, architecture, interiors, high society, the bourgeoisie, teenagers, soldiers, surfers, priests, bullfighters, brides, hostesses, street sellers, waiters, artists, dancers, musicians, and sun worshippers. This is a shimmering kaleidoscopic view of the city, a considered eclectic and detailed composite from a master portraitist. Pan American World Airways Teacher, **A Biographical Handbook of Hispanics and United States Film** Gary D. Keller, 1997. Keller has collected biographical information on hundreds of Hispanic actors, directors, cinematographers, screenwriters, producers, animators, and other film professionals who have participated in United States film from its beginnings in 1894 through the contemporary period as well as filmographic information on the thousands of films in which they have been involved. **Life** Henry Robinson Luce, 1944.
