Development in Emerging Economies Roopinder Oberoi, Dharendra K. Vajpeyi, 2015-12-24 Corporate Social Responsibility and Sustainable Development in Emerging Economies is an anthology of seven case studies plus two theoretical chapters in a comparative context. It analyzes issues related to the rise of multinational corporations, their immense economic and political influence in a globalized world, and their social responsibility, corporate citizenship. Corporate social responsibility is closely examined in terms of meeting the challenges of the widening gap between rich and poor, relationships with sovereign states, environmental degradation, exploitation of natural resources, labor practices, and human rights issues in societies in which multinational corporations operate. Are these corporations exempt from social roles and accountable to only their shareholders, the minimalist position propounded by economists such as Milton Friedman, or do they also have ethical and social responsibilities to participate in improving the quality of human lives in impoverished societies in Africa, Asia, and Latin America.

Washington Information Directory 2017-2018 CQ Press, 2017-07-15 The Washington Information Directory is the essential one-stop source for information on U.S. governmental and nongovernmental agencies and organizations. This thoroughly researched guide provides capsule descriptions that help users quickly and easily find the right person at the right organization. The Washington Information Directory offers three easy ways to find information: by name, by organization, and through detailed subject indexes. The volume is topically organized, and within the taxonomic structure, the relevant organizations are listed not only with contact information but with a brief paragraph describing what the organization, whether government or nongovernmental, does related to that topic. It is focused on Washington; an organization must have an office in Washington to be listed. It also includes dozens of resource boxes on particular topics and organization charts for federal agencies and NGOs. With more than 10,000 listings and coverage of the new presidential administration, the 2017-2018 Edition features contact information for the following: 115th Congress and federal agencies; nongovernmental organizations; policy groups, foundations, and institutions; governors and other state officials; U.S. ambassadors and foreign diplomats; congressional caucuses.
