I Will Turn To The Father:

I Will Turn to the Father, 1999 *Having Visions* Susan Wolverton, 2004 In *Having Visions* the author presents an objective respectful and faithful translation of its content accompanied with an historical and scientific context for understanding its insertion into the body of human affairs In *The Book of Mormon* the ancient American prophet Mormon presents the history of his people the Nephites The intent of the present book is to present his story as told and its relationship to history as known without altering its essence It should be noted that exhaustive archeological genetic and linguistic research has been undertaken by both proponents for and detractors of the existence of the Nephites So far no evidence supporting the claim has ever been found for any place person or event mentioned in *The Book of Mormon* while abundant contradictory evidence has been discovered and independently verified **I am Your Father** Mark Stibbe, 2012-09-12 We live in an increasingly fatherless society Fatherless children are far more likely to be criminals or victims In January 2009 Mark quit as the senior leader of a successful and progressive Anglican congregation to found a ministry called *The Father s House* dedicated to taking the Father s love to the fatherless The task of the family of God is to take the Father s love to the fatherless To do this those who are already members of God s family need to have their father wounds healed This book will help those with hearts broken by their earthly fathers to find in their Heavenly Father the love of all loves In Part 1 Mark describes the different ways in which fathers can hurt their children In Part 2 he goes deeper defining the wound as the orphan heart and describing the main symptoms of this condition in peoples lives In Part 3 he shows how Christians can find true healing through experiencing the Spirit of adoption *The Ante-Nicene Fathers* Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume I of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Clement of Rome the fourth pope who was supposedly martyred by being tied to an anchor and tossed overboard Mathetes an anonymous writer considered the first Christian apologist Polycarp a Christian bishop who was stabbed to death after he failed to burn at the stake Ignatius a student of John the Apostle who was Bishop of Antioch before he was killed Barnabas an anonymous writer given the name of Saint Barnabas Papias author of *Interpretations of the Sayings of the Lord* a textbook on quotes from Jesus Justin Martyr a Christian apologist and accomplished philosopher and Irenaeus disciple of Polycarp apologist and bishop of Lugdunum **Tewa Tales** Elsie Clews Parsons, 1994-03-01 The Tewa are a Pueblo Indian group

from New Mexico some of whom migrated around 1700 in the aftermath of the second Pueblo Revolt to their present location on First Mesa of the Hopi Reservation in northern Arizona This collection of more than one hundred tales from both New Mexico and Arizona Tewa first published in 1926 bears witness to their rich cultural history In addition to emergence and animal stories these tales also provide an account of many social customs such as wedding ceremonials and relay racing that show marked differences between the two tribal groups A comparison of tales from the two divisions of the tribe reveals something of what has happened to both emigrant and home staying Tewa over two centuries of separation Yet while only half of the Arizona tales are distinctly parallel to the New Mexican additional similarities may be found in such narrative features as the helpfulness of Spider old woman and her possession of medicine creating life magically under a blanket or Coyote beguiling girls into marriage Elsie Clews Parsons was a pioneering anthropologist in the Southwest whose works included the encyclopedic Pueblo Indian Religion The Tewa tales she gathered for this volume are thus notable not only as fascinating stories that will delight curious readers but also as authentic reflections of a people less known to scholars
