

The background of the image is a deep, dark space filled with numerous small, bright white stars. In the center, there is a large, glowing purple nebula with a textured, almost crystalline appearance. The nebula has various shades of purple, from deep indigo to bright magenta, and its edges are irregular and wispy. The overall effect is a sense of vastness and cosmic wonder.

I Wonder Why:

I Wonder Why Dr. Daniel Wagner, 2016-08-25 From the early childhood on we are conditioned to try to earn as much money as possible Only a very few people make it to the point of becoming financial independent In this rat race of getting more and more things do we still realize what the real purpose of life could be We have entered a time of great uncertainty Many nations are close to insolvency Currencies lose value over night Nations who embraced socialism have no money to support their illusion People like you and me will ask the question I wonder why I am always broke Where are you today Are you one of the few who have been preserved from being broke When will you lose or have to give up your wealth Daniel has studied the Word of GOD He has seen a lot of things in this fallen world which do not add up and which do display corruption to the highest degree Does GOD have a plan Does the Bible teach a prosperity Gospel More than ever before are believers and non believers confused about the teaching of the Bible about wealth Does the Bible really predict an economical collapse of unmeasurable proportions Find out what Daniel discovered where true wealth can be found Are you prepared for the things that will strike this earth Where is your faith **I Wonder Why ... I Should Marry?** Dr. Daniel Wagner, 2016-05-29

Growing up in this present world is full of challenges The most important decision in life is the decision to accept or reject Jesus Christ The second most important question in life is how to find the proper life style Never before has the world been attacked on the moral fiber of society like today The devil is in the process to destroy society by a strong wave of immorality and advanced perversion How should people find their proper identity and their GOD ordained purpose in this chaos Does GOD care Is there a clear answer In this end time perversion anybody is exposed to incredible seductions and deceptions Sexuality nudity and provocative pictures are all around us Bestiality is often taught in kindergarten Society has lost its consciousness for purity and beauty Laws are rewritten to promote promiscuity Is there any hope Are we really free to behave like animals Could it be that GOD has a perfect plan for relationships family and a new beginning Don't wait get your life and house in order GOD tells us that truth will set us free Are you free **I Wonder Why Astronauts Wear**

000 years ago **THERE IS NO SAFE PLACE NOR EVER CAN BE I WONDER WHY** Maurice Siegel,2015-09-24 Why does poetry continue to exist It does not deliver information to solve problems or assist in helping with problems Facts have no usefulness for rhyming couplets We live our lives in comfort when we solve tangible problems effectively Facts usually have some built into it reward system That is until we seek a closer communion with ourselves living in a world made to be separate from us It is a world where not seeking of competitive advantages that emotional world within leads to being struck by some indefinable satisfaction to be trusted It brings approval for the arts in their many forms For me the most beautiful of them is poetry making words when read into sounds equal to the power of singing by using much the same rhythmic repeats but to be accomplished without need of voice or ears and to be more easily remembered ever after throughout a lifetime with the same emotional impact and sometimes more so as deeper understanding evolves with time "I Wonder Why?".
