Issues And Alternatives In Educational Philosophy:

Issues and Alternatives in Educational Philosophy George R. Knight, 2008 Widely adopted as a textbook Issues and Alternatives in Educational Philosophy has been a classic in its field for more than a quarter of a century As a survey of philosophic issues relevant to the educational profession it highlights the relationship between philosophic starting points and educational outcomes between theory and practice from back cover

Issues and Alternatives in Educational Philosophy George R. Knight, 1982

Problems in Philosophy of Education James Scott Johnston, 2019-02-07 Problems in Philosophy of Education canvasses several of the leading issues in philosophy of education These include the disconnect between the disciplines of philosophy and philosophy of education the strained relationship between educational practice and philosophy of education the role of educational research in philosophy of education and the lack of an independent scholarship for philosophy of education James Scott Johnson argues for a philosophy of education separate and distinct from both the disciplines of philosophy and education and claims that philosophy of education should raise and address its own questions and concerns Supporting this is a model of how philosophy of education should originate basic questions together with a set of philosophic presuppositions regarding the model's logic ethics politics and relationship to science and social science

The Complete Home Learning Sourcebook Rebecca Rupp, 1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level

Alternative Education Yoshiyuki Nagata, 2007-03-30 Alternative streams of education have been and remain an important but difficult theme for teachers parents policy makers and scholars By focusing on case studies of six countries Bolivia Thailand Australia USA The Netherlands and Denmark and by comprehensively analysing these by means of international comparative methodologies the author approaches the nuts and bolts issues of alternative and mainstream education systems The case studies include Charter Schools in the USA and Waldorf Schools in Australia The study presents not only an insightful analysis of alternative forms of education with regard to actual issues in societies and also legal and administrative features of education It provides insights into the kind of school development that could be appropriate in the 21st century and the types of educational communities we should seek to create in the age of globalisation

New Perspectives on Philosophy and Education Gerald Lee Gutek, 2009 Leading author Gerry Gutek discusses the major philosophical systems and then applies how these systems and ideologies contribute to educational theory Examines the origin meaning and relevance to teaching and learning New Perspectives on Philosophy and Education is organized into three major parts philosophies ideologies and theories of education Part I examines philosophy and education idealism realism pragmatism existentialism and postmodernism and analyzes their educational implications Part II examines Ideology Nationalism Liberalism Conservatism and Marxism and analyzes their educational implications Part III deals with theory Essentialism Progressivism Social Reconstructionism Critical Theory and Globalization in terms of their meaning for education In drawing out the educational

implications of these philosophies ideologies and theories the author places them in the context of education schooling curriculum and instruction Pedagogical aspects include discussion questions topics for reflection and research websites and suggested readings *Alternative Education for the 21st Century* P.
