Unsung Hollywood Musicals of the Golden Era Edwin M. Bradley, 2016-03-03 The most memorable Hollywood musicals of 1930s showcased the talents of stars like Fred Astaire Jeanette MacDonald Bing Crosby and Alice Faye The less memorable ones didn't This book takes a look at the unsung songfests of the 30s secondary or forgotten features with short lived or unlikely stars from major studios and Poverty Row Through analysis of films such as *Lord Byron of Broadway* 1930 *Shoot the Works* 1934 *Bottoms Up* 1934 *Moonlight and Pretzels* 1933 and *The Music Goes Round* 1936 the author profiles such performers as Dorothy Dell Lee Dixon Peggy Fears Lawrence Gray Joe Morrison and the mother daughter team of Myrt and Marge Behind the scenes figures are discussed like the infamously profligate producer Lou Brock whose flops *Down to Their Last Yacht* 1934 and *Top of the Town* 1937 cost him his career Filmographies and production information are included with background on key participants

Welcome the Wretched César Cuauhtémoc García Hernández, 2024-01-30 A powerful argument for separating immigration enforcement from the criminal legal system by one of the nation's foremost crimmigration experts In the fevered battles over immigration Democrats and Republicans alike agree on this that migrants who have committed a crime have no place in this country But targeting migrants because they have committed a crime is a short sighted appeal to nativist fear To predicate a migrant's right to stay in the country on whether they are law abiding and therefore deserving or criminal and undeserving does little to improve public safety and has an especially devastating impact on low income migrants of color While César Cuauhtémoc García Hernández's first book *Migrating to Prison* focuses on the explosion of migrant detention centers over the past decades *Welcome the Wretched* tackles head on what happens when a deeply flawed and racist criminal legal system and

immigration system converge to senselessly cruel effect Drawing on everything from history to legal analyses and philosophy Garc a Hern ndez counters the fundamental assumption that criminal activity has a rightful place in immigration matters arguing that instead of using the criminal legal system to identify people to deport the United States should place a reimagined sense of citizenship and solidarity at the center of immigration policy **The Muse Also Weeps** Tom F. was an adult before he realized that didn't necessarily mean playing hockey Gordie Howe may have been the greatest player in the history of hockey but greatness was never defined by goals or assists in the Howe household Greatness meant being the best person you could be not the best player on the ice Unlike his two brother Murray Howe failed in his attempt to follow in his father's footsteps to become a professional athlete Yet his failure brought him to the realization that his dream wasn't really to be a pro hockey player His dream was to be his father To be amazing at something but humble and gracious To be courageous and stand up for the little guy To be a hero You don't need to be a hockey player to do that What he learned was that it was a waste of time wishing you were like someone else When Gordie Howe passed away in 2016 it was Murray who was asked to deliver the eulogy *Nine Lessons I Learned from My Father* takes the reader through the hours Murray spent writing the words that would give shape to his father's legacy the hours immediately after his hero's death as he gathers his thoughts and memories and makes sense of what his remarkable father meant to him The result is nine pieces of wisdom built out of hundreds of stories that show us the man behind the legend and give us a glimpse of what we can learn from this incredible life
